Reserving a Site

Most campsites in Pennsylvania state parks can be reserved 11 months in advance to noon of the day of arrival. Campers without a reservation arriving after noon should check near the campground entrance for instructions.

Reservations can be made using MasterCard, VISA, American Express, and Discover credit cards, or personal, traveler's, and cashier's checks, or Pennsylvania State Parks Gift Card. To receive a confirmed reservation, full payment must be received by the Bureau within ten days of making the reservation.

For reservations visit www.visitPAparks.com, or call 888-PA-PARKS (888-727-2757), Monday to Saturday, 7:00 AM to 5:00 PM except on the Thanksgiving Day, Christmas Day, and New Year's Day holidays.

Campsite Issuing

Advance reservations are available for almost all campsites. Unreserved sites are available on a first-come, first-served basis. If an employee is unavailable, read posted instructions, check the site availability listing, and then proceed to an available site and set up.

The appropriate fee must be paid to a park employee or deposited in a supplied honor system envelope before setting up on a campsite.

Changes and Cancellations

Cancellations, changes, or transfers to reservations will be assessed a fee and can be made prior to arrival by calling the Pennsylvania State Parks Reservation Center at 888-PA-PARKS (888-727-2757) Monday through Saturday, 7:00 AM to 5:00 PM, EST, or by visiting the website at:

http://pennsylvaniastateparks.reserveamerica.com.

Any cancellation, change, or transfer made upon arrival must be processed through the state park.

For complete information on fees, cancellations, changes, transfers, and discount policies, view the Reservation Cancellation/Change Policy at the website noted above.
