Reserving a Site

Most campsites in Pennsylvania state parks can be reserved 11 months in advance to noon of the day of arrival. Campers without a reservation can make a walk-in reservation at the park office. Sites are subject to availability.

Reservations can be made using MasterCard, VISA, American Express and Discover credit cards or personal, traveler's and cashier's checks. To receive a confirmed reservation, full payment must be received by the Bureau within ten days of making the reservation.

To reserve a campsite, visit www.visitPAparks.com, or call 888-PA-PARKS (888-727-2757), Monday to Saturday, 7 a.m. to 5 p.m. except on the Thanksgiving Day, Christmas Day, and New Year's Day holidays.

Campsite Issuing

Advance reservations are available for almost all campsites. Unreserved sites are available on a first-come, first-served basis. If an employee is not available, read posted instructions and check the "After Hours Posting Report" then proceed to an available site and set up.

The appropriate fee must be paid at the park office or deposited in a supplied honor system envelope before setting up on a campsite.

Cancellations and Transfers

Changes to an online reservation must be made by calling the Pennsylvania State Parks Reservation Call Center at 888-PA-PARKS, Monday through Saturday, 7 a.m. to 5 p.m. Eastern Time.

Cancellations can be handled via the Internet under "My Account" or by calling the call center. Cancellations made up to the close of business seven days prior to your scheduled arrival date will incur a $10 cancellation fee. If you cancel six days or less prior to the arrival date, you will forfeit the first night's fee or $75, whichever is the lesser amount. There is a $10 fee assessed for all changes made to your reservation, except adding nights to the reservation. Changes to a reservation can be made at the call center, but not via the Internet. Any cancellation or change on the day of arrival must be made through the state park where you have the reservation.
