

**PA Department of Conservation and Natural Resources  
Community Conservation Partnerships Program Grants  
December 6, 2007**

\* These projects are funded through the County Environmental Initiative portion of the Growing Greener II Bond Fund program.

+ These projects are recommended for funding under the Pennsylvania Recreational Trails program for federal transportation monies that require final approval from the federal Highway Administration.

# These projects are recommended for funding under the federal Land and Water Conservation Fund and require final approval from the National Park Service.

**Statewide Grants**

American Littoral Society, \$26,000, to coordinate the 2007 and 2008 Schuylkill Watershed Congresses to raise awareness of the watershed concept and focus on Schuylkill River Watershed restoration and protection. Chari Towne, 215-369-1188.

+ DCNR-Bureau of Forestry, \$31,800, to develop interpretive trail signs with attached boot brushes to educate the public about invasive species and help prevent the spread of invasive plants along the trails; work will include sign design and construction, construction of the frame and stand for the signs, and placement and maintenance of signs at trailheads on public lands throughout the state. Jessica Sprajcar, 717-214-7511.

Pennsylvania Environmental Council, \$85,000, to develop a statewide fishing and boating access plan, including detailed maps, using criteria established for identifying fishing and boating access enhancement opportunities, recommendations for site level, programmatic and funding enhancements, and prioritization of needs. Davitt B. Woodwell, 412-481-9400.

Pennsylvania Environmental Council, \$100,000, to assist DCNR with the implementation of the Pennsylvania Recreation Plan through the promotion, creation and strategic engagement of Environmental Advisory Councils (EAC). Focus EAC outreach in the southcentral PA portion of the Kittatinny Ridge as well as other Important Bird Areas in the southcentral region. Continue to provide technical assistance to existing EACs statewide. Jeanne Barrett Ortiz, 215-592-7020.

Pennsylvania Equine Foundation, \$48,000, further statewide education/training programs for equestrians, hikers, bikers, DCNR, PA Game Commission and National Forest land managers. Bud Wills, 814-379-3759.

Pennsylvania Land Trust Association, \$100,000, provide small grants to land trusts to help cover the administrative costs of acquiring conservation easements. Andrew M. Loza, 717-230-8560.

Pennsylvania Organization for Watersheds and Rivers, \$150,000, to coordinate and promote rivers sojourns and river-related events, provide educational materials and outreach to increase public awareness of rivers and watersheds throughout Pennsylvania for the 2008 river sojourn season and development of Pennsylvania River of the Year activities. John Coutts, 717-234-7910.

Pennsylvania Recreation & Park Society, \$100,000, assist the Department with the provision of recreation and park education, training and technical assistance services through the writing of publications, manuals, and written materials; conducting research and surveys; convening workshops. Robert D. Griffith, 814-234-4272.

Pennsylvania Trout, \$80,000, to administer and coordinate the Coldwater Heritage Partnerships Program for the 2007-2008 seasons and to support the eighth Keystone Coldwater Conference. Deborah J. Nardone, 814-359-5233.

Rails-to-Trails Conservancy, \$91,500, produce the 2009 Greenway Sojourn; administer a mini-grant program for trail improvement projects; conduct a trail user survey for one rail-trail in Pennsylvania, and develop and present workshops on successful strategies for trail building in Pennsylvania. Susan Weaver, 717-238-1717.

WITF, Inc., \$75,000, to produce Season 4 which consists of 10 new episodes and one best of episode for Season 4 programming, for the television travel series "ExplorePA". These programs highlight the state's unique historic, heritage, cultural and outdoor recreation sites and attractions. Cara Fry, 717-910-2848.

### **Multiple Counties**

Allegheny Ridge Corporation, \$20,000, to develop detailed interpretive maps for the 86 miles of the Kiski-Conemaugh main stem and conduct feasibility studies for navigable tributaries between the Johnstown and Freeport, including portions of Somerset, Cambria, Indiana, Westmoreland, and Armstrong counties. Laura Hawkins, 724-858-0463.

Appalachian Mountain Club, \$100,000, implement the local outreach strategy of PA Highlands Strategic Plan to obtain support of the 13 counties located in the Highlands; develop an action plan for PA Highlands Trail Network Project, including a field analysis for a trail trunk route and possible loop and spurs; and provide GIS support to the PA Highlands Trail Network Project and South Mountain Highland effort. Kristen Sykes, 610-868-6903.

+ DCNR- Bureau of Forestry, \$76,900, provide trained seasonal employees to perform light and routine maintenance and educate visitors as to etiquette on the Appalachian Trail. Matt Beaver, 717-783-0379.

+ DCNR Bureau of State Parks Region 3, \$80,000, cooperative trail maintenance equipment purchase of trail maintenance equipment of a Bobcat with buckets, brush cutter, tree grappler, mower and backhoe to be used by trail groups through the region. Mike Kutzmonich, 814-733-2202.

East Coast Greenway Alliance, \$25,000, develop a travel guide, workshops, technical assistance, and communication materials for the East Coast Greenway in Philadelphia from Morrisville south along the Delaware River to Center City Philadelphia; south along the Schuylkill River and west to Cobbs Creek Trail and South to Marcus Hook. Michael Oliva, 914-844-0728.

Endless Mountains Resource Conservation and Development Council, \$25,000, collection and recording of oral histories of residents in the Pine Creek watershed to include feasibility for location of the oral history collection, research and development of potential content for interpretive displays, updated web site, and a written report. Diane White, 570-265-5288.

Natural Lands Trust (NLT), \$90,000, develop and manage NLT's Center for Conservation Landowners, a stewardship planning service for public and private landowners to include developing outreach materials, organizing stewardship workshops, meetings with landowners, and writing stewardship plans. Diane Rosencrance, 610-353-5587.

Pennsylvania Horticultural Society, \$760,000, Continue the tree cover program for Southeastern Pennsylvania. Work to include management and administration, education and technical assistance, research, capacity building, and developing regional partnerships to address reforestation, tree planting and other environmental stewardship, natural resources protection and sustainable growth issues. Melissa DeRuiter, 215-988-8800.

Pennsylvania State Snowmobile Association, \$5,900, implementation of a pilot signage program in Erie, Potter, and Somerset counties to better facilitate navigation on snowmobile trails. Valerie N. Weiner, 717-867-5588.

SEDA-COG, \$48,500, to develop an interpretive Master Plan for the Susquehanna River Water Trail, and design, fabricate, and install orientation and safety signs at fifteen new water trail access locations. Gary Bloss, 570-522-7211.

Susquehanna Greenway Partnership, \$200,000, coordinate, manage and provide outreach for 2007-2008 for the Susquehanna Greenway Partnership to implement the Susquehanna Greenway Strategic Plan. Gary Bloss, 570-522-7211.

Western Pennsylvania Conservancy, \$35,000, further development of Gateway Gardens through the development of drawings, specifications, and related documents that will facilitate the bidding and construction of Gateway Gardens in various municipalities; signs and related site improvements. Judith J. Wagner, 412-586-2390.

Western Pennsylvania Conservancy, \$50,000, prepare a Watershed Conservation Plan for the 175,223 acre Mahoning Creek region watershed including the Lower Mahoning Creek, Little Mahoning Creek, Pine Creek and Hays Run watersheds. Mark Killar, 724-459-0953.  
Bucks, Delaware, Philadelphia

### **Heritage Areas**

Allegheny Ridge Heritage Area, \$240,000, for the following sub elements:

- \$100,000 management grant to support the costs of operating and managing the Allegheny Ridge Heritage Area;
- \$115,000 to complete projects identified in the Main Line Canal Greenway Interpretive Plan and complete the Juniata Water Trail Signage;
- \$25,000, to rehabilitate the Johnstown Flood Museum Theatre. Jane Sheffield, 814-940-1922.

Delaware & Lehigh National Heritage Corridor, \$240,000, for the following sub elements:

- \$100,000 management grant to support the costs of operating and managing the Delaware and Lehigh National Heritage Corridor;
- \$50,000, to assist D&L partners in the development of signage, brochures, books, maps, web based interpretation and applications following the guidelines of “Visually Speaking,” a graphics specifications book;
- \$30,000, to produce an integrated 4<sup>th</sup> and 5<sup>th</sup> grade curriculum based on children living in the Heritage Corridor circa 1855 for districts in the Corridor;
- \$15,000, to complete an exhibit featuring historic and modern art highlighting the Delaware Canal and river landscape. Allen Sachse, 610-923-3548.
- \$25,000, to develop a strategic plan to create a visitor way-finding system to link key towns and attractions throughout Bucks County to the Landmark Towns along the Delaware Canal.

- \$20,000, to develop a strategic plan to stabilize and preserve the Saylor Cement Kilns & Museum and Lockridge Furnace Museum in the boroughs of Alburtis and Coplay.

Endless Mountains Heritage Area, \$240,000, for the following sub elements:

- \$100,000 management grant to support the costs of operating and managing the Endless Mountain Heritage Region;
- \$10,000 to preserve the historic one room Hoover school building in Clifford Township, Susquehanna County;
- \$40,000, to complete Phases 2 and 3 of the restoration of the exterior of this historic Silver Lake Bank Building located in Montrose, Susquehanna County;
- \$15,000, for the restoration of two Palladian windows in the 1907 building owned by the Susquehanna County Historical Society and Free Library Association. Phil Swank, 570-265-1528.
- \$15,000, to assist in completing Phase III of the rehabilitation of the former Lehigh Valley Railroad Depot in the Village of Noxen, Wyoming County.
- \$10,000, to replace interior plaster on walls and ceiling of the Old Burlington Church West Burlington, Bradford County.
- \$20,000, to upgrade and renovate the interior and exterior of the Home Textile Tool Museum in Orwell.
- \$20,000, to add ornamental street lamps, highway signs for visitors, interpretive markers for contributing structures of Historic District, and other community improvements.
- \$10,000, to determine the options available to preserve the integrity of the existing structure, equipment and property of the 1852 Flour Mill located in Canton Borough, Bradford County and make it available for public use and enjoyment.

Lincoln Highway Heritage Corridor, \$240,000, for the following sub elements:

- \$100,000, management grant to support the costs of operating and managing the Lincoln Highway Heritage Corridor;
- \$140,000, prepare a master site plan and related documents for the Lincoln Highway Heritage Corridor's Visitors Center in Ligonier. Olga Herbert, 724-238-9030.

Lackawanna Heritage Valley Authority, \$240,000, for the following sub elements:

- \$100,000 management grant to support the costs of operating and managing the Lackawanna Heritage Valley Authority;
- \$9,000, to produce about 10 episodes of a local television program to be broadcast on Channel 61 with the Lackawanna Historical Society and area history teachers recruiting, training, and overseeing of a group of area high school students to investigate and report on topics of local history;
- \$10,000, to support a Centennial exhibition celebrating our cultural and industrial heritage through the vision of John Willard Raught (1857-1931) and his lasting impact on subsequent generations of regional artists including the installation of the exhibit, production of the accompanying catalog, and programs encouraging public interaction with the natural environment;
- \$40,000, to construct and install wayfinding-interpretive kiosks at partner venues and major pedestrian hubs to better inform the public about offerings at partner sites and regional history locations;
- \$10,000, to expand LHVA's website to create an integrated visitor interpretation experience and an interactive educational resource;
- \$35,000, to design and construct sections of the Lackawanna River Heritage Trail;
- \$36,000, to develop plans and specifications and initiate construction work to restore and upgrade facilities at the Silkman House, an 1840 national historical registered property. Natalie G. Solfanelli, 570-963-6730.

Lumber Heritage Region, \$258,450, for the following sub elements:

- \$100,000, management grant to cover costs of operating and managing the Lumber Heritage Region;
- \$6,850, for historical research and archeological investigations of the old canal site in the Muncy area, Lycoming County to include the creation of a trail that will circulate throughout the 11-acre property and install interpretive signage and displays;
- \$24,900, for upgrades at the Wild Woods Animal Park, located in Cherry Grove Township, Warren County to include construction of a pavilion, upgrades to the children's outdoor activity area, interpretive signage, and fencing;
- \$24,900, to create a large permanent exhibit at the Jefferson County History Center in Brookville Borough, Jefferson County to include the design, construction and installation of an exhibit titled *Living on the Land* in the 1,200-square foot gallery of the center;
- \$24,900, to conduct Phase 1 restoration and enhancements to the 1884 Beech Creek, Clearfield and Southwestern Railroad Station (museum and trailhead) located in Castanea Township, Clinton County including an interpretation, education, and recreation railroad water tank as a visitor's center, the placement of rail cars and interpretive signage;
- \$5,000, to market and promote the Second Annual "Art in the Wilds", a juried fine arts show in Evergreen Park, in Kane Borough, McKean County, in June, 2008;
- \$25,000, to construct the Big Bend Bird Viewing Area and Nature Trail in Mead Township, Warren County to include the design and construction of a 0.4 mile trail and bird-viewing observation platform along the Allegheny River. Michael Wennin, 814-468-0213.
- \$ 20,000, to install a multi-media system for showing informational and historical films at the new visitor's center in Delmar Township, Tioga County.
- \$ 8,900, to restore the stone gateway entrance at the CCC Camp S-121 located in Curtin Township, Centre County. Work will include reconstruction of stone pillars, site upgrades, enhancements and installation of interpretive signage.
- \$ 18,000, to create, promote and place ten chain saw carved sculptures in public spaces throughout the PA Wilds region. The sculptures will be approximately six feet tall. The project will be called *Enchanted Woodlins*.

Lancaster-York Heritage Region, \$240,000, for the following sub elements:

- \$100,000, management grant to cover the costs of operating and managing the Lancaster-York Heritage Region;
- \$60,000, to acquire paintings from Visions of the Susquehanna Art Exhibit and consolidate two "Along the Susquehanna" heritage exhibits into a semi-permanent interpretive exhibit;
- \$30,000, to improve the Heritage Region's website, create and package heritage products and tours, sponsor and promote cultural heritage events and traditions, and spotlight preservation issues in the Region;
- \$50,000, to complete the design development and construction documents to restore period lighting for the historic bridge connecting Lancaster and York counties, as recommended in the completed Bridge Lighting Feasibility Study. Mark N. Platts, 717-252-0229.

National Road Heritage Corridor, \$188,850, for the following sub elements:

- \$100,000, management grant to cover the costs of operating and managing the National Road Heritage Corridor;
- \$20,000, for Phase IV of the Marketing and Education Plan to update NRHC technology and electronic marketing and develop marketing products;
- \$35,000, to develop a marketing strategy to promote heritage tourism opportunities in Washington County;
- \$8,850, to revise the exhibit audio system and purchase hand held museum audio wands for the Ft. Necessity/National Road Education & Interpretive Center in Wharton Township, Fayette County;
- \$25,000, for brush and tree clearing, drainage improvements, grading and earthwork, trail surfacing, road crossings, railroad crossings, safety barriers and ADA accessibility. Donna R. Holdorf, 724-437-9877.

Oil Heritage Region, \$240,000, for the following sub elements:

- \$100,000, management grant to cover the costs of operating and managing the Oil Heritage Region;
- \$45,000, to install a visitor's center in the Perry Street Station, Titusville, Crawford County;
- \$50,000, to select a threatened residential building to be used as a hands-on restoration training site for volunteers and practitioners;
- \$20,000, to design a new Orientation Center at a potential site in Oil City; \$25,000, a Special Purpose Study to update the Historical Site Survey for Venango County. Marilyn Black, 814-677-3152, ext. 105.

Rivers of Steel National Heritage Area, \$240,000 for the following sub elements:

- \$100,000, management grant for related activities and costs in operating the Rivers of Steel Heritage Area. The funds will offset a portion of the expenses incurred by the Steel Industry Heritage Corporation (SIHC) for management, personnel and other related costs;
- \$6,800, to remanufacture and install new interpretive signage panels to continue educating and entertaining thousands of people that live, work, and play along the region's riverfronts every year. The scope will involve system-wide sign condition assessment and documentation, remanufacture of existing interpretive signs with new technology, installation of new signs, plus ongoing monitoring and maintenance;
- \$12,000, to develop additional educational museum displays to interpret "The Faces of Brownsville," which will be a portrait and collage-type display featuring important Brownsville citizens of historical significance, and "If These Walls Could Talk," featuring an etched glass panel suspended in front of five windows facing a significant Brownsville scene;
- \$52,450, to restore the appearance of the entryway to the Braddock Carnegie Library and ensure its structural stability for many generations by replacing deteriorated 118 year old sandstone slabs with granite. These stone slabs constitute both the entryway surface into the main floor of the library and also the roof of the tunnel entrance to the basement bath house which provided Carnegie's mill workers an opportunity to clean up before entering the library;
- \$12,000, to reproduce 3,235 archival drawings of the Carrie Furnace site. Many of the drawings are over 100 years old, in a fragile state and exhibit a variety of conservation concerns. Their digitization

will allow SIHC to fulfill the increasing number of requests from researchers desiring access to this collection and provide a safer mode of access and use of the collection;

- \$21,000, to develop “History to Go: The Carrie Furnace” the second installment in SIHC’s History to Go DVD series which uses portable DVD players to help users to learn about history on the site where it occurred revealing a vanished landscape;
- \$5,000, to repair and improve facilities owned and operated by the Rivers of Steel National Heritage Area;
- \$15,000, to produce the printed materials and the associated website for cell phones and MP3 tours;
- \$8,250, to research, design, develop, produce and market the 1892 Battle of Homestead Historical Treasures Box to educate and promote public the events surrounding the Battle;
- \$7,500, to develop construction drawings and specifications for a series of three canoe/kayak river landings in Greensboro Borough as part of the unified greenway along the Monongahela River Water Trail. August Carlino, 412-464-4020.

PA Route 6 Heritage Corridor, \$208,000, for the following sub elements:

- \$100,000, management grant for the administration and management of the PA Route 6 Heritage Corporation;
- \$23,500, to purchase an historic building in Linesville, Crawford County to serve as the National U.S. Route 6 Museum;
- \$50,000, to renovate the Corry Heritage Center in the Corry, Erie County and house a coffee shop, displays of artists and artisans, information section and a retail area;
- \$4,500, to create a 1,750 square foot mural reflective of the area's cultural and historical heritage on a wall of the Potter County Education Council;
- \$30,000, to develop marketing strategies by analyzing travelers and to create a unified message across the Corridor. Terri Dennison, 814-435-7706.

Schuylkill River Heritage Area, \$240,000, for the following sub elements:

- \$100,000, management grant to support the costs of operating and managing the Schuylkill River Heritage Corridor;
- \$25,000, to create and install a heritage area interpretive center titled “A River of Revolutions” at office headquarters in Pottstown, Montgomery County;
- \$15,000, to fabricate and install the 1876 Centennial interpretation with an exhibit titled *Centennial Exploration*, in Memorial Hall, Fairmount Park by the Please Touch Museum in Philadelphia;
- \$9,000, to install a track switch at the Hamburg site of the Reading Railroad Heritage Museum to facilitate display of historic Reading Railroad passenger and freight equipment;
- \$2,500, to design in-house prototypes of brochures for educational program initiatives such as Take-A-Hike, A Doable Mole, Bird Sighting at Jenkins, Tree Discovery Guide, and Riparian Buffer Project Brochure;
- \$25,000, for expansion of the Fairmount Water Works Interpretive Center into the adjacent interior space of the Old Mill House of the Fairmount Water Works fostering “Living With the River”;
- \$23,500, to determine the adaptive re-use of the former walk-in shoe factory for development of a YMCA and cultural art center
- \$20,000, to develop a Master Plan and cost estimates for landscape, signage, and other improvements to create a visitor-friendly corridor between sites;

- \$20,000, to develop construction drawings and specifications for the Gateway Project (parking and entrance). Kurt Zwikl, 484-945-0200.

## **Individual Counties**

### **Adams**

Oxford Township, \$17,500, prepare a Master Site Development Plan for the 15-acre Larry B. Feeser Memorial Park. Karen Sipe, 717-624-2311.

+ Strawberry Hill Foundation, \$60,000, public access and trails improvement project to include ADA surfacing of 1/4 mile of existing Middle Creek Trail, installing a 1/4 mile new spur to Middle Creek Trail creating a “looped” trail, construction of a fiberglass, volunteer-installed new bridge for looped trail, and construction of an ADA-compliant boardwalk to access a picnic area, and including the purchase of a tractor for trail maintenance, and \$20,000, prepare a Master Site Development Plan for the 10-acre Strawberry Hill Center in Hamiltonban Township. Yvonne Werzinsky, 717-642-5840.

### **Allegheny**

\* Allegheny County, \$200,000, Hartwood Acres Mansion Improvements, to include installation of new air conditioning system and construction of ADA compliant restrooms; installation of ADA access, sign, and related site improvements;. \$175,000, White Oak Park Spray Park development to include construction of a spray park; installation of ADA access, sign and related site improvements; \$175,000, Round Hill Park development to include construction of a spray park; installation of ADA access, sign and related site improvements. Thomas E., Donatelli, 412-350-4005.

Ben Avon Borough, \$41,600, Avon Park enhancement to include installation of play equipment with required safety surfacing; installation of ADA access, landscaping, fencing; sign and related site improvements. Lloyd Corder, 412-766-7704.

Braddock Borough, \$80,000, development of Library Street to include construction of two basketball courts and retaining wall; installation of ADA access; lighting; site furniture; landscaping, sign, and related site improvements. Kathleen R. Castner, 412-350-5678.

Elizabeth Borough, \$48,000, Duke Park renovation to include installation of play equipment with required safety surfacing; installation of ADA access; pavilion lighting; landscaping, site furniture sign and related site improvements. Orrie Rockwell, 412-384-3909.

Franklin Park Borough, \$26,600, renovations of Blueberry Hill Park to include installation of lighting at basketball, bocce, and volleyball courts; sign and related site improvements. James J. Watenpool, 412-364-4115.

Green Tree Borough, \$162,000, further development of Green Tree Borough Park to include construction of soccer field and walking trail; installation of ADA access; site utilities, landscaping, signage, and related site improvements. W. David Montz, 412-921-1110.

Jefferson Hills Borough, \$22,000, preparation of a Comprehensive Recreation, Parks and Open Space Plan. Douglas Arndt, 412-655-7735.

Kennedy Township, \$30,000, further development of Fairhaven Park to include construction of walking trail; installation of ADA access; landscaping, sign and related site improvements. Gary Vituccio, 412-771-6680.

Monroeville Municipality, \$35,000, preparation of a feasibility study to examine the rehabilitation of the Monroeville Community Outdoor Aquatic Center in Bel-Aire Park. John Balicki, 412-856-3334.

Mount Oliver Borough, \$48,000, further development of Transverse Park to include installation of play equipment with required safety surfacing; ADA access; landscaping, sign, and related site improvements. Joanne Malloy, 412-431-8107.

Pine Township, \$250,000, development of the Pine Township Community Center to include construction of exercise facilities and locker/shower rooms; installation of ADA access; landscaping, sign, and related site improvements. Joni Patsko, 724-625-1636.

Port Authority of Allegheny County, \$200,000, Gateway Station Plaza development to include construction of plaza; installation of ADA access, site furniture, landscaping, sign, and related site improvements. Keith A. Wargo, 412-566-5171.

Quaker Valley Recreation Association, \$100,000, development of The Fields of Bell Acres to include the construction of three baseball fields and two soccer fields; installation of ADA access; fencing, site furniture, site utilities, landscaping, sign, and related site improvements. Jeffrey Bennett, 412-741-0171.

Regional Trail Corporation, \$19,000, payment toward the acquisition of approximately 1 acre adjacent to the Youghiogheny River Trail, in Elizabeth Township, Allegheny County, to locate a maintenance facility necessary to maintain trails in Allegheny County. Hannah Hardy, 724-872-5586.

Richland Township, \$200,000, further development of Richland Park to include construction of access road and parking areas, picnic pavilion, two micro-soccer fields, and walking trails; installation of play equipment with required safety surfacing; installation of ADA access, landscaping, sign and related site improvements. Dean Bastianini, 724-443-5921.

Scott Township, \$50,000, preparation of a Master Site Development Plan for a 71 acre expansion to Scott Park. Denise H. Fitzgerald, 412-276-5300.

Scott Township, \$55,500, further development of Scott Park to include construction of basketball court and amphitheatre; installation of ADA access; landscaping, fencing, sign, and related site improvements. Denise H. Fitzgerald, 412-276-5300.

South Fayette Township, \$67,500, payment toward the acquisition of approximately 15 acres off of Morgan Hill Road for multi-purpose athletic fields. Jerry Males, 412-221-8700.

Sports and Exhibition Authority of Pittsburgh and Allegheny County, \$500,000, further development of Convention Center Riverfront Park to include construction of docks, installation of ADA access; site utilities, site furniture and sign and related site improvements. Douglas Straley, 412-393-0207.

Steel City Rowing Club, \$135,000, Verona Riverfront development to include construction of comfort facilities and green building with recreational space; installation of ADA access; landscaping; retention pond; rainwater capture system; site furniture; sign and related site. Dori Tompa, 412-828-5565.

Urban Redevelopment Authority of Pittsburgh, \$500,000, further development of South Shore Riverfront Park to include construction of stage and water feature; installation of ADA access; site utilities; landscaping; site furniture, sign and related site improvements. Angelo Taranto, 412-255-6554.

+ Urban Redevelopment Authority of Pittsburgh, \$100,000, extension of the Frick Park trail system from the residential development of Summerset at Frick Park to the Monongahela River and construction of a pedestrian bridge over the Nine Mile Run stream. Marc Knezevich, 412-255-6656.

West Deer Township, \$36,500, payment toward the acquisition of approximately 2 acres along Ford Street (Curtisville Park) for recreation and green space. Jason Dailey, 724-265-3680.

Wilmerding Borough, \$20,000, further development of Airbrake Avenue Walking Trail to include construction of trail; installation of ADA access, landscaping, sign and related site improvements. David Gilliland, 412-824-5672.

### **Allegheny and Washington**

+ Montour Trail Council, \$90,000, Montour Trail drainage improvements and trail repairs to include cleaning existing ditches, spraying herbicide on grass on trail surface, installing new trail base in a narrow cut area and installing limestone trail surface on 2.83 miles in Robinson Township, Washington County and cleaning existing ditches and installing pipe culverts in Findlay and North Fayette townships in Allegheny County. David L. Wright, 412-350-6645.

### **Armstrong**

\* Freeport Borough, \$130,000, further development of Riverside Park to include construction of parking area; installation of courtesy docks; installation of ADA access, sign, landscaping, and related site improvements. James M. Seagriff, 724-295-2251.

Kittanning Township, \$20,000, further development of Kittanning Township Community Park to include construction of a walking trail, installation of ADA access, landscaping, sign, and related site improvements. Jennifer Bellas, 724-548-3224.

Plumcreek Township, \$48,000, further development of Elderton/Plumcreek Park to include construction of skate park; installation of ADA access; fencing; landscaping, sign and related site improvements. Brooks Fleming, 724-354-2212.

### **Beaver**

Aliquippa City, \$30,000, further development of Ravine Park to include construction of pavilion; installation of play equipment with required safety surfacing; installation of ADA access; site furniture; utilities; landscaping, sign, and related site improvements. Tom Stoner, 724-375-5188.

Beaver Borough, \$20,000, complete a Feasibility Study examining the development of a new multipurpose community center and a Swimming Pool Feasibility Study. John Barrett, 724-773-6700.

Chippewa Township, \$350,000, payment toward the acquisition of approximately 46 acres along 37th Street Extension to create a regional park and provide active and passive recreation. Mark Taylor, 724-843-8177.

Rochester Borough, \$250,000, Rochester Riverfront development to include construction of an amphitheatre, two pavilions, and walking trail; installation of ADA access; site furniture, landscaping, sign and related site improvements. Edward O. Piroli, 724-775-1200.

Vanport Township, \$44,000, further development of Van Buren Park to included installation of play equipment with required safety surfacing; installation of ADA access; landscaping, sign, and related site improvements. Linda Schwarz, 724-774-6420.

### **Bedford**

\* Juniata Woolen Mill, \$100,000, development of the Lutzville Road/Raystown Branch of the Juniata River Trail to include construction of approximately 0.17 mile of trail, interpretive overlooks, parking area, ADA access, landscaping, signage and related site improvements. James F. Osipov, 814-243-6774.

### **Berks**

Berks County, \$200,000, Stonecliffe Recreation Area renovation and further development to include renovation of restrooms, stream bank stabilization, fishing pier, play equipment with safety surface, ADA access, landscaping, sign and related park improvements. William W. Semmel, 610-372-8989.
