

**Department of Conservation and Natural Resources
Community Conservation Partnerships Program Grants
November 2008**

* Funded with federal transportation funds that require federal approval.

Statewide/Regional Grants

Allegheny Ridge Corporation, \$100,000, Mainline Canal Greenway, coordinate, manage and provide outreach for 2008 - 2009 to implement the Main Line Canal Greenway Plan, including assistance with feasibility planning and coordination for five trail sections and implementing trailhead interpretation in targeted communities. Develop and activate a new Main Line Canal Greenway web site. Produce water trail maps for the Kiski-Conemaugh portion of the Greenway. Conduct workshops on greenway and watershed plan implementation and convene a Greenway-wide workshop to spearhead the development of a greenway alliance. Jane Sheffield, (814) 940-1922.

Allegheny Ridge Corporation, \$52,600 to carry out various special purpose studies and implementation projects. Jane Sheffield, (814) 940-1922.

Alliance for the Chesapeake Bay, Inc., \$42,500, TreeVitalize Riparian Buffer Program, provide at least 10 educational riparian buffer workshops within targeted TreeVitalize metropolitan areas. Provide those communities with the Alliance's StreamReleaf Riparian Buffer Toolkit, a site specific riparian buffer maintenance plan, and develop a long-term buffer maintenance agreement. Rebecca Wertime, (717) 737-8622.

American Littoral Society/Delaware Riverkeeper Network, \$42,900, Schuylkill Watershed Congresses, organize and present three annual Schuylkill Watersheds Congresses (2009-2011). Chari Towne, (215) 369-1188.

Appalachian Mountain Club, \$75,000, Pennsylvania Highlands Outreach and Trail Project, implement the PA Highlands Coalition Committee's Strategic Plan goals by developing a tracking system and GIS data clearinghouse, and communications plan and organizational improvements for the Committee. Kristen Sykes, (610) 868-6903.

Chesapeake Bay Foundation, Inc., \$100,000, TreeVitalize Riparian Buffer Technical Assistance, identify public and private lands where riparian forest buffers are needed within the TreeVitalize Program's metropolitan areas of the state; assist municipalities, non-profit organizations, and private landowners in accessing funds available for riparian forest buffers, and provide on-site technical assistance to ensure the successful establishment of the buffers. David Wise, (717) 234-5550.

Delaware & Lehigh National Heritage Corridor, Inc., \$100,000 to carry out various special purpose studies and implementation projects. Allen Sachse, (610) 923-3548.

Endless Mountains Heritage Region, Inc., \$43,900 to carry out various special purpose studies and implementation projects. Philip Swank, (570) 265-1528.

GreenSpace Alliance, \$75,000, analyze the Regional Green Plan priority areas to identify municipalities without a local open space funding initiative and formulate a strategy to encourage local adoption. Create a partnership to implement a Southeast PA Open Space Economic Benefits Study. Implement the Green

Space Alliance Communications Plan to include web site expansion and various e-communications. Develop a strategic action plan for a new priority landscape area. Judy Jengo, (215) 592-7020.

*Keystone Trails Association, \$67,400, Keystone Trails Association Consolidated Grants Program, administer a mini-grant program for trail improvement, maintenance and construction projects for hiking trails throughout Pennsylvania. Curt Ashenfelter, (717) 238-7017.

Lackawanna Heritage Valley Authority, \$50,000 to carry out various implementation projects. Natalie Solfanelli, (570) 963-6730.

Lancaster-York Heritage Region, \$75,000 to carry out various special purpose studies. Mark Platts, (717) 252-0229.

Lincoln Highway Heritage Corridor, Inc., \$75,000 to carry out various special purpose studies and implementation projects. Olga Herbert, (724) 238-9030.

Little Juniata River Association, \$100,000, river access acquisitions, payment toward the acquisition of conservation easements on parcels along the Little Juniata River, Spruce Creek and Juniata River (Frankstown Branch) in Blair and Huntingdon counties for riparian buffers and public fishing areas. William Anderson, (814) 684-5922.

Lumber Heritage Region of PA, Inc., and \$81,700 to carry out various implementation projects. Mike Wennin, (814) 486-0213.

National Audubon Society, Inc., \$100,000, Kittatinny Ridge Important Bird Area Implementation, expand the Kittatinny Alliance by implementing a municipal and landowner outreach program for the Kittatinny Ridge. The program includes: developing strategic implementation strategies, advancing best conservation practices by habitat type, assessing conservation readiness in municipalities, and educating landowners and municipal officials about conservation practices. Kim Van Fleet, (717) 213-6880.

National Road Heritage Corridor, \$50,000 to carry out various implementation projects. Donna Holdorf, (724) 437-9877.

Natural Lands Trust, Inc., \$100,000, Growing Greener - Conservation By Design 2008-2009, provide education, technical assistance, and products to convey the conservation subdivision message to growing municipalities. Ann Hutchinson, (610) 353-5640.

Oil Region Alliance of Business, Industry & Tourism, \$45,000 to carry out various special purpose studies and implementation projects. Marilyn Black, (814) 677-3152.

PA CleanWays, Inc., \$90,000, Adopt-A-Greenway Project, administer the statewide Adopt-A-Greenway Project and provide for greenway signage, complete up to 5 illegal dumpsite cleanups in greenways and develop a children's activity booklet, Open Your Eyes to Litter in a Greenway. Heidi Pedicone, (724) 836-4121.

Pennsylvania Environmental Council, Inc., \$141,000, Water Trails and Greenways, continue development of the Pennsylvania Water Trails Program by promoting, marketing and managing the system; providing technical assistance to sponsoring organizations; update and publish the Creating Connections Manual; undertake two East Coast Greenway Projects, develop signage for the greenway through Philadelphia and design of the 58th street connector from Bartram's Garden to the Cobbs Creek Trail; promote and create

stewardship in the Tidal Delaware Water Trail through an “adopt a site” program, the development of signage, and a public outreach and marketing campaign. Davitt Woodwell, (412) 481-9400.

Pennsylvania Environmental Council, Inc., \$62,000, River Conservation Plan Implementation, prepare a fishing and boating access and water trail feasibility study for the Catawissa Creek Watershed in Columbia, Schuylkill and Luzerne counties and a trail/greenway feasibility/master plan for the Harvey’s Creek Watershed in Luzerne County. Davitt Woodwell, (412) 481-9400.

Pennsylvania Environmental Council, Inc., \$653,000, coordinate the activities of the Laurel Highlands and Pocono Forest and Waters Conservation Landscape Initiatives, including administering a mini-grant program; produce a comprehensive evaluation of the CLI program and provide technical assistance on the formation of Environmental Advisory Councils. Davitt Woodwell, (412) 481-9400.

Pennsylvania Land Trust Association, \$100,000, Conservation Easement Assistance Program, provide small grants to land trusts to help cover the administrative costs of acquiring conservation easements. Andrew Loza, (717) 230-8560.

Pennsylvania Land Trust Association, \$200,000, Education and Technical Assistance Program, provide conservation education, training and technical assistance services for 2009-2010 to include development of the conservation toolbox, developing a model purchase/sale agreement for conservation acquisitions, providing technical assistance regarding achieving conservation excellence and conformity with Land Trust Standards and Practices, phase 1 of land trust response to climate change, planning and implementation of the annual PA Land Conservation Conference, managing the Conservation Easement Assistance Program, and producing other educational resources. Andrew Loza, (717) 230-8560.

Pennsylvania Parks and Forests Foundation, Inc., \$170,000, Friends Groups’ Assistance Program, provide training and technical assistance to existing friends groups and expand the network of groups and volunteers statewide. Develop a prototype youth group to engage youth in outdoor activities and volunteerism, continue matching grant program, and organize and support educational events. Marci Mowery, (717) 236-7644.

Pennsylvania Recreation & Park Society, Inc., \$150,000, Recreation and Park Education and Technical Assistance Project, assist DCNR with the provision of recreation and park education, training and technical assistance services through the writing of publications, manuals, and other written materials; conducting research and surveys; convening workshops and conferences; support for the RecTAP Program, and an expanded quality maintenance initiative. Robert Griffith, (814) 234-4272.

*Pennsylvania Recreation & Park Society, Inc., \$95,600, Trails Training Project, conduct a comprehensive scope of trail and trail safety education programs for trail planners, builders and managers and others involved with motorized and non-motorized trails. Robert Griffith, (814) 234-4272.

Pennsylvania Route 6 Heritage Corporation, \$55,000 to carry out various special purpose studies and implementation projects. Terri Dennison, (814) 435-7706.

Pennsylvania Trout, Inc., \$85,000, Coldwater Heritage Partnership Program, administer and coordinate the Coldwater Heritage Partnership Program for the 2009 – 2010 season, and host the 10th Keystone Coldwater Conference. Fund at least eight Coldwater Conservation Planning and/or implementation grants. Deborah Nardone, (814) 627-5082.

Preservation Pennsylvania, Inc., \$300,000, Establish and manage a public involvement clearinghouse for issues affecting historic properties related to Section 106 of the National Historic Preservation Act and development of workshops to educate the public and interested parties; and plan, organize, coordinate, and promote the combined 2009 and 2010 Pennsylvania Heritage Partnerships and Byways to the Past conferences. Melinda Crawford, (717) 234-2310.

Rails-To-Trails Conservancy, Inc., \$100,000 to support the Greenway Sojourn 2010 and statewide Technical Assistance Program by producing the 2010 Greenway Sojourn; administering a mini-grant program for trail improvement projects; conducting a trail user survey for one rail-trail in PA, and providing Technical Assistance to rail trail organizations. Patricia Tomes, (717) 238-1717.

Schuylkill River Greenway Association, \$98,800 to carry out various special purpose studies and implementation projects. Kurt Zwinkl, (484) 945-0200.

Steel Industry Heritage Corporation, \$52,500 to carry out various special purpose studies and implementation projects. August Carlino, (412) 464-4020.

The Conservation Fund, \$100,000, Better Models for PA Conservation Landscapes, provide training and technical assistance to targeted communities within the DCNR Conservation Landscapes. Work will include intensive training sessions on gateway community strategies and better models for development. Kendra Briechle, (717) 230-8166.

The Susquehanna Greenway Partnership, \$200,000, coordinate, manage and provide outreach for 2009-2010 for the Susquehanna Greenway Partnership to implement the Susquehanna Greenway Strategic Plan. Gary Bloss, (570) 522-7211.

Western Pennsylvania Conservancy, \$70,000, Outreach and Technical Assistance for Conservation of Seasonal Pools by updating and developing internet mapping capabilities of the Pennsylvania Seasonal Pool Registry. Develop and produce educational outreach materials targeted at private and public land owners. Provide conservation planning services, general information exchange, and land protection assistance for seasonal (vernal) pool conservation. Develop a pilot restoration site in the South Mountain Region. Ephraim Zimmerman, (412) 586-2334.

WITF, Inc., \$120,000 for Explore PA to produce seasons five and six of Explore PA, WITF's television travel series and create a diverse array of multi-platform new media elements to allow for broader distribution of the program. Cara Fry, (717) 910-2848.

Grants Alphabetically by Applicant by County

Adams

*DCNR-Bureau of Forestry-Dist. 1, \$80,000 for the Log Sled Trail to include further development of the trail in Menallen Township to resurface approximately 2.0 miles of trail, drainage improvements; ADA access, landscaping, signage and other related site improvements. Levi Gelnett, (717) 352-2211.

Littlestown Borough, \$40,000 for Crouse Park Rehabilitation in Littlestown Borough to include the reconstruction and upgrade of the pavilion and cupola; ADA access, landscaping, project sign, and other related site improvements. Linda Hess, (717) 359-5101.

Adams, Cumberland and Franklin

Appalachian Trail Conservancy, \$100,000 for implementation of the South Mountain Conservation Landscape Initiative to include coordination of the activities of the 2008-2010 work plan, supporting the sub-landscape lead partners, and development and implementation of land protection strategies. Karen Lutz, (717) 258-5771.

Allegheny

Allegheny Land Trust, \$39,000 for the Liberty Valley BDA Acquisition, payment toward the acquisition of approximately 40 acres adjacent to Dead Mans Hollow Conservation Area and along the Youghiogheny River in Lincoln Borough and Elizabeth Township for preservation of a natural area. Roy Kraynyk, (412) 741-2750.

Edgeworth Borough, \$10,000, Ohio River Access Study, prepare a feasibility study to determine potential public access points to the Ohio River and identify properties that contain invasive species and pollution along approximately 2.5 miles of the Route 65 corridor in Edgeworth and Sewickley Boroughs. Martin McDaniel, (412) 741-2866.

Elizabeth Township, \$307,000, Chapel Fellowship and Quail Creek acquisition, payment toward the acquisition of approximately 30 acres off Chapel Drive for a community center and active and passive recreation. Malisa Migliori, (412) 751-2880.

Harrison Township, \$41,000, Natrona Recreation and Art Park, further development of the Natrona Recreation and Art Park to include the construction of a concession stand; ADA access, landscaping and other related site improvements. Faith Payne, (724) 226-1393.

*Montour Trail Council, \$221,500, Montour Trail development, further development of the Montour Trail in South Park Township to include the construction of approximately 0.75 miles of trail from Triphammer Road to Piney Fork Road; site preparation, construction of wingwalls, drainage improvements, ADA access, landscaping, signage and other related site improvements. David Wright, (412) 350-6645.

Oakmont Borough, \$22,500, Riverview Park plan, prepare a master site development plan for the 14-acre Riverview Park and a feasibility study to determine the need to rehabilitate, update, expand or reprogram the existing recreational center. Michael Federici, (412) 828-3232.

Pittsburgh City, \$250,000, TreeVitalize Southwest, continue the tree cover program in Pittsburgh and Allegheny County, work to include management and administration, education and technical assistance, research, capacity building, and developing regional partnerships to address reforestation, tree planting and other environmental stewardship, natural resources protection and sustainable growth issues. Dan Sentz, (412) 255-2233.

Pittsburgh Parks Conservancy, \$250,000, Frick Park Trail rehabilitation: Fall Ravine Trail, 0.45 miles, Lower North Braddock Trail, 0.42 miles, Upper Braddock Trail 0.57 miles and Lower South Braddock Trail, 0.43 miles. Work to include reconstruction, drainage improvements, ADA access, landscaping, project sign and other related site improvements. Roy Lenhardt, (412) 682-7275.

Port Vue Borough, \$13,500, Community Center study, prepare a feasibility study to examine potential development of a Regional Recreational Center. Joan Winters, (412) 664-9323.

Regional Trail Corporation, \$500,000, The Great Allegheny Passage - Port Perry Bridge, further development of The Great Allegheny Passage in Duquesne to include the construction of the Port Perry

Bridge and trail approaches; installation of fencing; ADA access, landscaping, project sign and related improvements. Jack Paullik, (724) 787-5623.

Rosslyn Farms Borough, \$73,300, Borough Park Rehabilitation, work to include resurfacing of tennis courts; installation of drainage improvements, site amenities; ADA access, landscaping, project sign and other related site improvements. Isabel Ford, (412) 279-7039.

Sewickley Borough, \$100,000, Sewickley Valley Rivers plan, complete a rivers conservation plan for the Sewickley Valley region of Allegheny County that extends from Franklin Park Borough to Leet Township and encompasses the Little Sewickley Creek and its tributaries along with the Kilbuck Run and Tom's Run waters. Kevin Flannery, (412) 741-4015.

South Fayette Township, \$17,000, Municipal Park plan, prepare a master site development plan for a 15-acre undeveloped site adjacent to Morgan Drive. Jerry Males, (412) 221-8700.

Steel City Rowing Club, \$70,300, Verona Riverfront acquisition, payment toward the acquisition of approximately 1 acre south of and adjacent to Verona Alley and running from the Allegheny River, past Arch Street to Penn Street in Penn Hills Township for passive recreation. Dori Tompa, (412) 828-5565.

Allegheny, Westmoreland

Regional Trail Corporation, \$25,000, Turtle Creek Gorge Greenway plan, prepare a greenways plan for the 6 mile segment of the Turtle Creek from Duff Park in Murrysville Municipality, Westmoreland County to Trafford Borough, Allegheny County. Malcolm Sias, (724) 830-3968.

Armstrong

Armstrong County, \$350,000, Belmont Complex rehabilitation of the Belmont Complex in East Franklin Township, work to include upgrades to the refrigeration and dehumidification systems for the ice rink, balcony/bleacher replacement; installation of dasher boards, utilities; ADA access and related site improvements. Gary Montebell, (724) 548-1067.

Burrell Township, \$28,400, further development of Community Park to include construction of a pavilion; installation of utilities, ADA access, landscaping, signage and other related site improvements. Adrienne Commodore, (724) 548-3223.

Parker City, \$22,700, Parker's Boat Launch, further development of Parker's Boat Launch Area to include the construction of a prefabricated comfort station; installation of utilities; ADA access, landscaping, project sign and other related site improvements. William McCall, (724) 399-0076.

Rural Valley Borough, \$30,500, Shannock Valley Community Park rehabilitation, work to include construction of dugouts; installation of fencing; ADA access, landscaping, signage, and other related site improvements. Jennifer Bellas, (724) 548-3224.

West Kittanning Borough, \$34,300, West Kittanning Park rehabilitation, work to include installation of playground equipment with required safety surfacing; ADA access, landscaping, project sign and other related site improvements. Jennifer Bellas, (724) 548-3224.

Beaver

Aliquippa City, \$20,000, Swimming Pool Feasibility Study, examine the feasibility of rehabilitating the Community Swimming Pool located in Aliquippa. Thomas Stoner, (724) 375-5188.

Beaver County, \$300,000, Bridgewater Crossing Riverfront Park and Trail development, work to include the construction of a retaining wall and railings, pedestrian trail; installation of lighting, site amenities; ADA access, landscaping and related site improvements. Laura Rubino, (724) 728-8610.

Patterson Heights Borough, \$21,300, Patterson Heights Park rehabilitation, work to include the construction of basketball courts; installation of a butterfly/bird landscape area; ADA access, landscaping, project sign and related site improvements. Sherrie Nichols, (724) 561-2412.

Rochester Township, \$40,000, Gallo Park Rehabilitation, work to include the construction of a gazebo; ADA access, landscaping, project sign and other related site improvements. Carolyn Verszyla, (724) 774-0135.

South Beaver Township, \$28,400, Township Park Rehabilitation, work to include construction of a basketball court; installation of playground equipment with required safety surfacing, fencing; ADA access, landscaping, project sign and other related site improvements. Carol Miller, (724) 846-9320.

Bedford

*Breezewood Proving Grounds, Inc., \$52,000, Equipment Purchase, purchase of trail maintenance equipment for 3 miles of wooded trails and 3 track facilities at Breezewood Proving Grounds in Monroe Township. Brian Harris, (570) 596-3077.

Broad Top Township, \$78,300, Broad Top Township Rail Trail acquisition, payment toward the acquisition of approximately 51 acres of railroad right of way that will add about 7 miles of additional trail to the existing Broad Top Township Rail Trail and Greenway project. Ernest Fuller, (814) 928-5253.

Kimmel Township, \$26,000, Queen Community Center Park rehabilitation, work to include installation of play equipment with required safety surfacing; ADA access, landscaping, project sign and other related site improvements. Lester Musselman, (814) 239-2001.

Bedford, Fulton

Western Pennsylvania Conservancy, \$15,000, Implementation Services - Conservation & Greenways, develop ecological, management and protection priorities for two to four conservation greenways identified in the Southern Alleghenies Greenways and Open Space Network Plan. Jeff Wagner, (412) 586-2392.

Berks

Berks County Conservancy, \$11,600, Neversink-Pendora-Antietam Trail development, further development of the Trail in Reading to include installation of trail signage and other related site improvements. John Hackman, (610) 372-4992.

Boyertown Borough, \$83,000, Community Park development, work to include the installation of playground equipment with required safety surfacing, site amenities, ADA access, landscaping, project sign and other related site improvements. Patricia Spaide, (610) 369-3028.

Fleetwood Borough, \$40,000, Community Park rehabilitation, work to include installation of play equipment with required safety surfacing, fencing, ADA access, site amenities, landscaping, project sign and other related site improvements. Tammy Lee Gore, (610) 944-1660.

Reading City, \$18,000, Angelica Creek Trail development in Reading, work to include the construction of approximately 0.28 mile connector trail between the Schuylkill River Trail and the Angelica Creek Trail,

drainage improvements, ADA access, landscaping, project sign and other related site improvements. Cindy DeGroot, (610) 655-6076.

Reading City, \$100,000, Northmont Playground rehabilitation, work to include installation of play equipment with required safety surface; installation of baseball backstop and fencing, site amenities; ADA access, landscaping, project sign and other related site improvements. Cindy DeGroot, (610) 655-6076.

Schuylkill River Greenway Association, \$28,400, Leesport acquisition, payment toward the acquisition of approximately 10 acres off of Bellemans Church Road in Ontelaunee Township for greenway and trails. Robert Folwell, (610) 484-0200.

Berks, Lehigh

Wildlands Conservancy, Inc., \$20,000, Landowner Outreach & Stream Restoration, establish a work group of stakeholders to identify the most impaired stream reaches in the Little Lehigh Creek Watershed in Longswamp Township in Berks County, and Lower Macungie and Salisbury townships and Allentown in Lehigh County. Conduct visual assessments, identify and prioritize parcels where stream restoration projects can be completed. Create a list of interested landowners. Conduct landowner outreach and education with interested landowners. Kristie Fach, (610) 965-4397.

Blair

Logan Township, \$74,600, Wellness Trail development, work to include the construction of an approximately 0.25 mile walking loop, beginning and ending at the Township Municipal Building and pavilion, installation of fitness stations; ADA access, landscaping, project sign and other related site improvements. Tiffany Noonan, (814) 944-5349.

Rails-To-Trails of Central Pennsylvania, Inc., \$22,500, Lower Trail Gap study, prepare a feasibility study for the development of 12 miles of a multi-use rail-trail connecting the existing Lower Trail in Frankstown Township to the 6-Through-10 Trail in Juniata Township. Karl King, (814) 940-1922.

Bucks

Bristol Borough, \$250,000, Jefferson Avenue Recreational Complex development, work to include the construction of comfort station/concession stand, pedestrian walkways, dugouts; installation of field lighting, site utilities, play equipment with required safety surfacing; ADA access, landscaping, project sign and other related site improvements. James Dillon, (215) 788-3828.

Chalfont Borough, \$18,600, Municipal Park plans, prepare master site development plans for four parks totaling approximately 40-acres including Twin Streams Park, Fairview Park, Kelley Park and Krupp Park. Melissa Shafer, (215) 822-7295.

Doylestown Township, \$17,500 Community Trail Connector study, prepare a feasibility study for development of trail segments to connect the Doylestown Community Bike and Hike System and Chalfont-New Britain Tri-municipal Trail Network to Peace Valley County Park in Doylestown and New Britain townships. Stephanie Mason, (215) 348-9915.

Durham Township, \$298,000 Wallace Frank Conservation easement, payment toward the acquisition of a conservation easement on approximately 72 acres for preservation of natural area and habitat and passive recreation. Laura Baird, (215) 345-7020.

Heritage Conservancy, \$16,000, Honey Hollow plan, prepare a master site development plan for the 114-acre Honey Hollow site in Solebury Township. Ksenia Rudensiuk, (215) 345-7020.

Heritage Conservancy, \$179,000, Farbotnik Conservation easement, payment toward the acquisition of a conservation easement on approximately 85 acres along Old Schoolhouse Way in Nockamixon Township for preservation of forestland and critical habitat. Laura Baird, (215) 345-7020.

Heritage Conservancy, \$38,500, Bellwood Preserve North plan, prepare a master site development plan for the 66-acre Bellwood Preserve North in Northampton Township. Karen Williamson, (215) 345-7020.

Morrisville Borough, \$62,900, Williamson Park development, work to include the construction of approximately 0.22 mile of pedestrian walkway within the park and connect to the Delaware & Lehigh Canal, and the River Levee Trail; ADA access, landscaping, project sign and other related site improvements. George Mount, (215) 295-8181.

Newtown Township, \$20,000, Comprehensive Recreation, Park and Open Space Plan, update this plan for the Township. William Wert, (215) 968-2800.

Newtown Borough, \$12,100, Newtown Creek Watershed Conservation plan, prepare a Watershed Conservation and Greenway Plan for the Newtown Creek Watershed. Mike Sellers, (215) 968-7829.

Quakertown Borough, \$20,000, Krupps Park plan, prepare a master site development plan for development of the 17-acre Krupps Park in Quakertown Borough and Richland Township. Gerald DeFelicis, (215) 361-6050.

Riegelsville Borough, \$19,500, multiple planning projects, prepare a comprehensive recreation, park, and open space plan for the Borough along with a master site development plans for the 7.5-acre Municipal Park and 11-acre Cedar Tract, including north/south trail connectors through the Borough. Thomas Stinnett, (610) 749-2726.

Butler

Fairview Borough, \$28,000, further development of Borough Park, to include construction of a basketball court; installation of bleachers; ADA access, landscaping, project sign and other related site improvements. Gary Pinkerton, (724) 284-5383.

Harrisville Borough, \$26,000, further development of Community Park, to include the construction and installation of a skate park; ADA access, landscaping, project sign and other related site improvements. Gary Pinkerton, (724) 284-5383.

Cambria

Jackson Township, \$74,500, Leidy Park Addition, payment toward the acquisition of approximately 2 acres along Leidy Lane and adjacent to existing Leidy Lane Park for increased recreational opportunities. Larry Custer, (814) 472-6711.

Johnstown Redevelopment Authority, \$250,000, Tech Park Riverwalk, development of Tech Park Riverwalk to include construction of public plaza and pedestrian walkways; installation of utilities and site amenities; ADA access, landscaping, project sign and other related site improvements. Deborah Walter, (814) 535-6564.

Carbon

Bowmanstown Borough, \$40,000 further development of Borough Park, work to include the construction of a basketball court, parking area, Installation of fencing, site amenities; ADA access, landscaping, project sign and other related site improvements. Norman Engle, (610) 852-2455.

Lansford Borough, \$30,000, further development of Ashton Hill Community Park, work to include the construction of a skate park, ADA access, landscaping, project sign and other related site improvements. Karen Burrell, (570) 645-3900.

Carbon, Lehigh, Northampton

Lehigh Gap Nature Center, \$200,000, further development of the Center in Washington and East Penn Townships, Lehigh and Carbon counties, work to include construction of a visitor and education center; access road, comfort station; approximately 8.0 miles of trail; pavilion; observation deck; installation of utilities, landscaping signage and related site improvements. Dan Kunkle, (610) 760-8889.

Centre

Centre Regional Recreation Authority, \$375,000, rehabilitation of William L. Welch Community Swimming Pool in State College Borough, work to include the construction of a leisure pool and bathhouse; installation of water features, fencing, utilities, site amenities; ADA access, project sign and other related site improvements. Ronald Woodhead, (814) 231-3071.

ClearWater Conservancy of Central PA, Inc., \$447,000, Strouse Property acquisition and easement, payment toward the acquisition in fee and easement on approximately 260 acres on Tussey Mountain and along US 322 in Potter Township for passive recreation and habitat and headwater protection. William Hilshey, (814) 237-0400.

*Pennsylvania State University, \$173,200, Musser Gap Greenway development in Ferguson Township, work to include the construction of approximately 1.3 miles of trail from the Musser Gap parking area to Blue Course Drive; pedestrian bridge, drainage improvements; ADA access, landscaping, signage and other related site improvements. Judith Larkin, (814) 863-3304.

State College Borough, \$36,700, Westerly Parkway - Wetland Education development, work to include construction of habitat structures and pedestrian walkways; installation of fencing and interpretive signage; ADA access, landscaping, project sign and related site improvements. Alan Sam, (814) 234-7145.

Centre, Clinton

*DCNR-Bureau of Forestry-Dist. 10, \$161,400, Equipment Purchase, purchase of two tractors and attachments to maintain approximately 425 miles of ATV and snowmobile trails in Sproul State Forest. Robert Fitterling, (570) 923-6011.

Chester

Chester County, \$250,000, development of Exton Park, work to include the construction of a restroom, entry drive and parking lot, pedestrian trails; installation of utilities, ADA access, site amenities, landscaping, project sign and other related site improvements. David Stauffer, (610) 344-6415.

Bradford Township, \$300,000, Schramm acquisition, payment toward the acquisition of approximately 38 acres along Scconnelltown Road for habitat protection and passive recreation. Michael Lynch, (610) 436-5108.

East Brandywine Township, \$30,700, Bondsville Mill Park plan, prepare a master site development plan for the 25-acre Bondsville Mill Park. Scott Piersol, (610) 269-8230.

East Goshen Township, \$58,600, Applebrook Path development, work to include the construction of approximately one mile of path between East Goshen Township Park and Willistown Township athletic fields; ADA access, landscaping, project sign and related site improvements. Louis Smith, (610) 692-7171.

Franklin Township, \$500,000, Annand acquisition in the White Clay Greenway, payment toward the acquisition of approximately 61 acres along Chesterville and Creek Roads for a municipal park and nature preserve. Phil Geoghegan, (610) 255-5212.

Franklin Township, \$500,000, Miller Property acquisition, payment toward the acquisition of approximately 91 acres off Parsons Road for a municipal park with active and passive recreation. Phil Geoghegan, (610) 255-5212.

Natural Lands Trust, Inc., \$494,000, Morris Property acquisition, payment toward the acquisition of approximately 33 acres along Chesterfield Road in Franklin Township for habitat preservation. Jack Stefferud, (610) 353-5587.

Natural Lands Trust, Inc., \$1,627,000, Wilkinson Property acquisition, payment toward the acquisition of approximately 112 acres along Peacedale Road and Walker Road in Franklin Township for habitat and open space preservation. Diane Rosencrance, (610) 353-5587.

New Garden Township, \$188,000, further development of New Garden Park, work to include the construction of soccer fields, pedestrian walkways, parking area; storm water infiltration basins; installation site amenities; ADA access, landscaping, project sign and other related site improvements. Carmen Raddi, (610) 268-2915.

North Coventry Township, \$875,000, Bentley acquisition in Coventry Woods, payment toward the acquisition of approximately 115 acres off Jones Road in North Coventry, South Coventry and Warwick Townships for passive recreation, open space and stream protection. Kevin Hennessey, (610) 323-1694.

North Coventry Township, \$850,000, Hill School acquisition in Coventry Woods, payment toward the acquisition of approximately 96 acres along Hill Camp Road at Rock Run in North Coventry and Warwick townships for habitat and stream protection. Kevin Hennessey, (610) 323-1694.

South Coventry Township, \$21,900, Woody's Woods plan, prepare a master site and conservation plan for the 251.5-acre Woody's Woods. Mildred Donnell, (610) 469-0444.

Thornbury Township, \$200,000 Waln Run Park development, work to include the construction of an entrance drive, parking area, pedestrian bridge, walkways, gazebo, rain garden, erosion and sedimentation control measures, installation of site amenities; ADA access, landscaping, sign and other related site improvements. Cary Vargo, (610) 399-1425.

West Bradford Township, \$100,000, East Branch Brandywine Trail development in West and East Bradford Townships, work to include the construction of approximately 1.6 miles of trail between The Struble Trail and the Chester Valley Trail, trailheads; reconstruction of trail bridge; ADA access, landscaping, project sign and other related site improvements. Vincent Visoskas, (610) 269-4174.

Clarion

Clarion Borough, \$55,700, Toby Boat Launch Area rehabilitation, work to include construction of a boat launch and boat dock, parking, access road; ADA access, landscaping, signage and other related site improvements. Nancy Freenock, (814) 226-7707.

Redbank Valley Park Commission, \$18,800, Redbank Valley Municipal Park rehabilitation in Redbank Township, work to include the resurfacing of tennis courts; installation of play equipment with required safety surfacing, fencing; ADA access, landscaping, project sign and other related site improvements. Justin Clouse, (814) 365-5924.

Union Area Council of Governments, \$65,000, Union COG-Sligo Pool rehabilitation in Sligo, work to include installation of filtration and chemical systems; pool drains, construction of a pool ramp, ADA access, sign and other related site improvements. Mary Ann Wise, (814) 473-6167.

Clearfield

Clearfield Borough, \$150,000, rehabilitation and further development of Upper Witmer Park, Riverwalk, and Bucky Strunk Memorial Field: Upper Witmer Park – work to include the installation of play equipment with required safety surfacing; construction of a pedestrian walkway; ADA access, landscaping, signage and other related site improvements; . Riverwalk – work to include the construction of a pedestrian walkway commencing at Bridge Street along the eastern shoreline to South Second Street; installation of lighting, site amenities; ADA access, landscaping, signage and other related site improvements; Bucky Strunk Memorial Field – work to include the installation of lighting; ADA access, landscaping, sign and other related site improvements. Leslie Stott, (814) 765-7817.

Curwensville Borough, \$20,000, Irvin Park rehabilitation, work to include the renovation of a ball field; installation of fencing; ADA access, landscaping, project sign and other related site improvements. Ron Johnson, (814) 765-4320.

Clinton

Flemington Borough, \$13,000, Grove Community Park plan, prepare a master site development plan for the 5-acre Grove Community Park. Charity Chaplain, (570) 748-7488.

Western Clinton County Recreation Authority, \$12,700, Recreation Center feasibility study, determine the need to rehabilitate, update, expand or reprogram the existing Recreation Center in Renovo Borough. John Wasserman, (570) 923-1805.

Columbia

Bloomsburg, \$244,000, Bloomsburg Park rehabilitation, work to include construction of tennis courts, parking, and pedestrian walkways; installation of utilities and lighting; ADA access, landscaping, project sign and other related site improvements. Carol Mas, (570) 784-7123.
