Shawnee State Park

The modern campground has 240 sites, which have picnic tables and fire rings, and accommodate either tents or trailers. 98 sites have electric hookups. Three campsites are ADA accessible. There is a sanitary dump station and centrally located washhouses with flush toilets, showers, and laundry tubs.

Pets

Pets are permitted on all sites in Section G and at designated campsites in section A and C. Please contact the park office or contact station for guidelines for pets.

Pets are prohibited in swimming areas and all overnight areas, except the campgrounds and lodging facilities involved in the pet program. Guide dogs and service dogs are not considered pets.

Camping Season

This campground opens in April and closes in December. This campground does not have shower facilities available after the third Sunday in October.

Reserving a Site

Most campsites in Pennsylvania state parks can be reserved 11 months in advance to noon of the day of arrival. Campers without a reservation arriving after noon should check at the contact station or near the campground entrance for instructions.

Reservations can be made using MasterCard, VISA, American Express, and Discover credit cards or personal, traveler's, and cashier's checks. To receive a confirmed reservation, full payment must be received by the Bureau within ten days of making the reservation.

For reservations visit www.visitPAparks.com, or call 888-PA-PARKS (888-727-2757), Monday to Saturday, 7:00 AM to 5:00 PM except on the Thanksgiving Day, Christmas Day, and New Year's Day holidays.

Campsite Issuing

Advance reservations are available for almost all campsites. Unreserved sites are available on a first-come, first-served basis. If an employee is not available, read posted instructions and check the "After Hours Posting Report" then proceed to an available site and set up.

The appropriate fee must be paid to a park employee or deposited in a supplied honor system envelope before setting up on a campsite.

Changes and Cancellations

Cancellations can be made via the call center or web. Cancellations made up to the close of business seven days prior to your scheduled arrival date will incur a \$10 cancellation fee per reservation. If you cancel six days or less prior to the arrival date, you will forfeit the first night's fee or \$75, whichever is the lesser amount.

A \$10 fee per reservation is assessed for all changes made to your reservation, except for adding nights to the reservation.

If a reservation receives the weekly discounted rate, any change that results in shortening the stay, will cause the customer to lose the benefit of the weekly rate. A new daily rate will be calculated for the remaining dates, which will affect any amount refunded.

Please note, reservations made at the maximum window (11 months to the day) are not permitted to move their reservation for 22 days. After 22 days, patrons can change or move their reservation for a \$10 transfer fee.

Any cancellation or change on the day of arrival must be made through the state park.

Changes to an online reservation must be made by calling the Pennsylvania State Parks Reservation Center at 888-PA-PARKS (888-727-2757) Monday through Saturday, 7:00 AM to 5:00 PM Eastern Standard Time, except for backpack camping, which are handled by the specific park.
