The modern campground has 262 tent or trailer sites (168 with electric hookup) with flush toilets, hot water showers, sanitary dumping stations, and drinking water. Some sites have full service camping hook-up.

Eight camping cottages near the campground sleep five people in bunk beds, and have wooden floors, windows, porch, picnic table, fire ring, and electric lights and outlets. One walled tent is available for rent. The tent sleeps six people and has a refrigerator, bunk beds with mattresses, and electricity.

Pets

Pets are permitted at designated campsites in this campground. Please contact the park office or contact station for guidelines for pets.

Pets are prohibited in swimming areas and all overnight areas, except the campgrounds and lodging facilities involved in the pet program. Guide dogs and service dogs are not considered pets.

Camping Season

The campground opens in early April and closes in late October.

Reserving a Site

Most campsites in Pennsylvania state parks can be reserved 11 months in advance to noon of the day of arrival. Campers without a reservation arriving after noon should check at the contact station or near the campground entrance for instructions.

Reservations can be made using MasterCard, VISA, American Express, and Discover credit cards, or personal, traveler's, and cashier's checks, or Pennsylvania State Parks Gift Card. To receive a confirmed reservation, full payment must be received by the Bureau within ten days of making the reservation.

For reservations visit www.visitPAparks.com, or call 888-PA-PARKS (888-727-2757), Monday to Saturday, 7:00 AM to 5:00 PM except on the Thanksgiving Day, Christmas Day, and New Year's Day holidays.

Campsite Issuing

Advance reservations are available for almost all campsites. Unreserved sites are available on a first-come, first-served basis. If an employee is unavailable, read posted instructions, check the site availability listing, and then proceed to an available site and set up.

The appropriate fee must be paid to a park employee or deposited in a supplied honor system envelope before setting up on a campsite.

Changes and Cancellations

Cancellations, changes, or transfers to reservations will be assessed a fee and can be made prior to arrival by calling the Pennsylvania State Parks Reservation Center at 888-PA-PARKS (888-727-2757) Monday through Saturday, 7:00 AM to 5:00 PM, EST, or by visiting the website at:

<http://pennsylvaniastateparks.reserveamerica.com>.

Any cancellation, change, or transfer made upon arrival must be processed through the state park.

For complete information on fees, cancellations, changes, transfers, and discount policies, view the Reservation Cancellation/Change Policy at the website noted above.
