Hickory Run State Park

In the Western Poconos, this large campground is primarily forested, however there is a grassy, fairly open section. It has modern restrooms with hot showers and a sanitary dump station. Some campsites have electric hook-ups. Some campsites are full service. A camp store sells general camping supplies, ice, firewood, and food.

The Bear Truths

Black bears are wild animals and are stronger and faster than people. Bears use their claws to tear apart rotting logs to find food, and those claws also work well to open garbage cans and coolers.

Black bears have an excellent sense of smell. Aromatic scents coming from your personal items can attract a curious and hungry bear from a great distance. Bears are attracted to the smell of toothpaste, deodorants, air fresheners, food and even the clothes worn while cooking. Store all items inside a vehicle.

Bears that are dependent on eating human food can become aggressive when people get between them and food. If you come in contact with a black bear, try chasing it away by making loud noises like yelling, honking a car horn or banging a pot. Notify a park employee if you have difficulties with bears.

Pets

Pets are permitted at designated campsites in this campground. Please contact the park office or contact station for guidelines for pets.

Pets are prohibited in swimming areas and all overnight areas, except the campgrounds and lodging facilities involved in the pet program. Guide dogs and service dogs are not considered pets.

Camping Season

This campground opens the second Friday of April and closes in mid-December. Shower facilities and the dump station are not available after the third Sunday in October.

Reserving a Site

Most campsites in Pennsylvania state parks can be reserved 11 months in advance to noon of the day of arrival. Campers without a reservation arriving after noon should check at the contact station or near the campground entrance for instructions.

Reservations can be made using MasterCard, VISA, American Express, and Discover credit cards, or personal, traveler's, and cashier's checks, or Pennsylvania State Parks Gift Card. To receive a confirmed reservation, full payment must be

received by the Bureau within ten days of making the reservation.

For reservations visit www.visitPAparks.com, or call 888-PA-PARKS (888-727-2757), Monday to Saturday, 7:00 AM to 5:00 PM except on the Thanksgiving Day, Christmas Day, and New Year's Day holidays.

Campsite Issuing

Advance reservations are available for almost all campsites. Unreserved sites are available on a first-come, first-served basis. If an employee is not available, read posted instructions and check the "After Hours Posting Report" then proceed to an available site and set up.

The appropriate fee must be paid to a park employee or deposited in a supplied honor system envelope before setting up on a campsite.

Changes and Cancellations

Cancellations, changes, or transfers to reservations will be assessed a fee and can be made prior to arrival by calling the Pennsylvania State Parks Reservation Center at 888-PA-PARKS (888-727-2757) Monday through Saturday, 7:00 AM to 5:00 PM, EST, or by visiting the website at:

<http://pennsylvaniastateparks.reserveamerica.com>.

Any cancellation, change, or transfer made upon arrival must be processed through the state park.

For complete information on fees, cancellations, changes, transfers, and discount policies, view the Reservation Cancellation/Change Policy at the website noted above.
