Ravensburg State Park

Ravensburg State Park lies in a rocky steep-walled valley that was carved by Rauchtown Run. The park was named for the ravens that once roosted at the southern end of the park. At the other end of the park, the modern campground nestles under huge hemlocks and northern hardwoods. Several campsites along Rauchtown Run offer campers the soothing sound of a mountain stream. Each site has a picnic table and a fire ring. In addition, tent pads are provided at many sites. Only tents are permitted in this campground.

Pets

Pets are permitted at all campsites in this campground. The guidelines for pets are posted on the campground bulletin board.

Pets are prohibited in swimming areas and all overnight areas, except the campgrounds involved in the pet program. Guide dogs and service dogs are not considered pets.

Camping Season

This campground opens in early May and closes in mid-September.

Campsite Issuing

Campsites are available on a first-come, first-served basis. If an employee is not available, read posted instructions then proceed to an available site and set up.

The appropriate fee must be paid to a park employee or deposited in a supplied honor system envelope before setting up on a campsite.

Access for People with Disabilities

If you need an accommodation to participate in park activities due to a disability, please contact the park you plan to visit.

Protect and Preserve Our Campgrounds

Please be familiar with all state park rules and especially the following rules and regulations.

Maximum Camping Period

Campers may stay in state park campgrounds for up to 14 consecutive nights from Memorial Day to Labor Day. Campers may camp for 21 consecutive nights during the remainder of the year.

Motor Vehicles

Only one car per campsite is allowed unless otherwise posted. Park only in designated areas.

Alcoholic Beverages

Alcoholic beverages are prohibited in all Pennsylvania state parks.

Check-in/Check-out Time

Check-in time is 3 p.m. Campsites must be vacated by 3 p.m.

Visitors, Quiet Hours and Noise

Visitors are welcome to your campsite from 8 a.m. to 10 p.m. Campers must not disturb the sleep of others between 9 p.m. and 8 a.m. Electric generators that create excessive noise are prohibited.

Fires

Fires are permitted only in provided fireplaces or grills. Gas and propane camp stoves are permitted. Please be careful with fire. Fires must be attended at all times and extinguished before leaving your campsite.

Firewood

Firewood is not provided. Cutting live trees or standing trees and the operation of chainsaws are prohibited.

Firewood Advisory

Firewood may contain non-native insects and plant diseases. Bringing firewood into the park from other areas may accidentally spread pest insects and diseases that threaten park resources and the health of our forests. Even if you are not within a quarantine area, using local firewood is best. Do not take wood home with you and do not leave firewood - Burn It!

Handwashing

Handwashing and dishwashing are permitted only where appropriate facilities are available. Handwashing and dishwashing are prohibited at water spigots, hand pumps, springs, lakes and streams.

Hunting and Firearms

Firearms and archery equipment used for hunting may be uncased and ready for use only in authorized hunting areas during hunting seasons. In areas not open to hunting or during non-hunting seasons, firearms and archery equipment shall be kept in the owner's car, trailer or leased campsite. Exceptions include: law enforcement officers and individuals with a valid *Pennsylvania License to Carry Firearms* are authorized to carry a firearm concealed on their person while they are within a state park.

Feeding wildlife is prohibited. When animals become dependent on humans for food, this brings animals and humans into close contact which can lead to potentially dangerous situations. Human food is often of little nutritional value to animals and can make animals sick and unhealthy.
