

**Department of Conservation and Natural Resources
Bureau of Recreation and Conservation
Community Conservation Partnerships Program Grants
November 2012**

The DCNR Community Conservation Partnerships Program grants for 2012 make an investment of \$26.5 million in 198 projects to revitalize communities, create new recreational opportunities, and conserve natural resources throughout Pennsylvania.

The DCNR grant program combines several funding sources into one. Funding comes from:

- Keystone Recreation, Park and Conservation Fund (Key 93)
- Environmental Stewardship Fund (ESF)
- Land and Water Conservation Fund (LWCF) – federal monies
- Pennsylvania Recreational Trails (PRT) – federal monies
- Snowmobile/ATV Fund

Statewide/Regional Grants

Allegheny Ridge Corporation, \$200,000 from ESF, to implement the Kiski Valley Outdoor Connections Plan to include installing way-finding signage and interpretive kiosks in host communities; provide technical assistance to partner organizations on community development initiatives; develop tools for outreach and communication; and facilitate the activities of the Main Line Canal Greenway Alliance including the development of boating access areas in Mount Union and Mapleton boroughs, Huntingdon County. Karl King, 814-940-1922.

Appalachian Trail Conservancy, \$160,000 from ESF, to coordinate the South Mountain Conservation Landscape Initiative; implement the South Mountain Conservation Plan; develop the South Mountain Cultural Heritage and Tourism Initiative; and fund the 2013 mini-grant program. Karen Lutz, 717-258-1442.

Cambria County Conservation and Recreation Authority, \$60,000 from Key 93, to prepare a state of the Kiski-Conemaugh River Basin report and update the Kiski-Conemaugh River Basin Conservation Plan which includes Armstrong, Cambria, Indiana, Somerset and Westmoreland counties. Melissa Reckner, 814-444-2669.

Carbon County, \$49,500 from Key 93, to update the Lehigh Watershed Conservation Plan for Berks, Bucks, Carbon, Lackawanna, Lehigh, Luzerne, Monroe, Northampton, Schuylkill and Wayne counties. Abigail Pattishall, 610-965-4397.

DCNR-Bureau of Forestry, \$52,250 from PRT, to fund for three trained seasonal employees to perform routine maintenance and provide visitor information on the Appalachian Trail in Pennsylvania. Matt Beaver, 717-783-0379.

Delaware & Lehigh National Heritage Corridor, \$250,000 from ESF, to coordinate the Lehigh Valley Greenways Conservation Landscape Initiative; provide technical services to complete key gaps on the

D&L Trail, fund the 2013 mini-grant program; and manage the Trail Tenders, Trail Alliance, and Trail Patrol programs. Elissa M. Garofalo, 610-923-3548.

Endless Mountains Heritage Region, \$200,000 from ESF, to coordinate the activities of the Susquehanna River North Branch including cleanups of river islands, conducting sojourns and educational events; implement the Susquehanna Greenway Rivertowns Program with North Branch rivertowns, complete update to management action plan, and fund the 2013 heritage site and trail mini-grant program. Phillip Swank, 570-265-1528.

HeritagePA, \$35,000 from ESF, to develop phase II of a long range strategic and business plan that will guide the continued growth of Pennsylvania's 12 Heritage Areas and manage HeritagePA activities for 2013-2014. Jane E. Sheffield, 814-940-1922.

Lackawanna Heritage Valley Authority, \$145,000 from ESF and Key 93, to manage the continued development of the Lackawanna River Heritage Trail; implement the trail signage program; conduct trail adoption, event, and beautification programs; coordinate the Heritage Valley Roundtable forums; and fund the 2013 mini-grant program. Dan Perry, 570-963-6730.

Lancaster County Conservancy, \$150,000 from ESF, to coordinate the Susquehanna Riverlands; fund the 2013 mini-grant program; advance the land protection and stewardship strategy; and implement trail connection corridor plan. Thomas Stahl, 717-392-7891.

Lincoln Highway Heritage Corridor, \$100,000 from ESF, to further develop the Lincoln Highway Experience Museum and Visitor's Center; coordinate and promote Lincoln Highway events; manage Laurel Highlands CLI minigrants; and design and construct site improvements at the Lincoln Highway Experience to include areas of porous pavement and a children's garden. Olga A. Herbert, 724-879-4241.

Lumber Heritage Region of PA, \$300,000 from ESF, to provide technical support to partner organizations throughout the Lumber Heritage Region; advance heritage and cultural resource development in the PA Wilds in 2013; and support the work of the PA Wilds Planning Team and the PA Wilds Ombudsman. Conduct outreach meetings to strengthen the Lumber Heritage Region Civilian Conservation Corps Legacy organization and fund the 2013 mini-grant program. Michael S. Wennin, 814-486-0213.

National Audubon Society, \$135,000 from Key 93, to coordinate the Kittatinny Ridge and Appalachian Trail Conservation Project to include developing an educational fact sheet, implementing a volunteer recruitment program to support Bird Towns and friends groups, and enrolling landowners in a land registry program. Jeanne Ortiz, 610-666-5593.

National Audubon Society, \$45,000 from Key 93, to develop technical assistance materials and conduct outreach to educate and encourage private land owners to manage forested tracts for sustainable bird habitat. Sarah Sargent, 814-232-3300.

National Road Heritage Corridor, \$138,000 from ESF, to coordinate and manage the construction of the Sheepskin Trail; assist in the implementation of the Laurel Highlands Interpretive Plan; implement recommendations of the "Structural Analysis, Design Guide and Marketing Prospectus" in Brownsville's historic commercial district; research and identify vacant parcels along the National Road corridor for possible acquisition; and pilot a cooperative purchasing program focused on supplying sustainable and green products in Fayette County. Donna R. Holdorf, 724-437-9877.

Natural Lands Trust, \$140,000 from ESF, to coordinate the Schuylkill Highlands Conservation Landscape Initiative. Work to include managing the joint mini-grant program, advancing greenway and trail initiatives, and implementing the compatible economic development plan. Carol De Wolf, 610-353-5640.

Oil Region Alliance of Business, Industry & Tourism, \$130,000 from ESF, to provide technical assistance to partner organizations on the development of trails and greenways in Venango and Crawford counties; produce and install interpretative signage along the Erie-to-Pittsburgh Trail; and develop traveling exhibits. Marilyn A. Black, 814-677-3152.

Pennsylvania Environmental Council, \$28,000 from ESF, to provide technical assistance to water trail managers and the public on the Pennsylvania Water Trails Program in 2013-2014. Work to include coordination of statewide water trail initiatives, website activities, and the development of a documentary on water trails. Hannah Hardy, 412-481-9400.

Pennsylvania Environmental Council, \$240,000 from ESF, to coordinate the Laurel Highlands and Pocono Forest & Waters Conservation Landscape Initiatives; fund the Pocono Forest and Waters 2013 mini-grant program; support the Northeast Trails Partnership; coordinate follow up to Balancing Nature and Commerce workshop; advance the Lift Johnstown Initiative; and implement the OhioPyle joint master plan and Laurel Highlands regional trail prioritization projects. Davitt Woodwell, 412-481-9401.

Pennsylvania Land Trust Association, \$50,000 from Key 93, to provide grants to land trusts to fund the costs to acquire conservation, trail and fishing access easements; amend and restate old easements; establish and update baseline documentation; and to install signs on eased lands. Andrew M. Loza, 717-230-8560.

Pennsylvania Land Trust Association, \$200,000 from ESF and Key 93, to provide outreach, education and technical assistance in 2013-2014 to conservation organizations and local governments. Work to include developing conservation tools and guidance documents; organizing conferences and other trainings; researching and educating on conservation issues; and the management of the Conservation Easement Assistance Program. Andrew M. Loza, 717-230-8560.

Pennsylvania Organization for Watersheds and Rivers, \$130,000 from ESF to implement the 2013 River of the Year activities; fund the mini-grant river sojourn program; develop educational webinars for sojourn planners; and organize forums with watershed groups on river conservation issues. Janie French, 717-230-8044.

Pennsylvania Parks and Forests Foundation, \$131,000 from ESF, to provide outreach, education, training and technical assistance in 2013-2015 to support friends groups and volunteers; engage military families in outdoor recreation activities; and implement public relations initiatives including newsletters, social media outreach and an annual report. Marci J. Mowery, 717-236-7644.

Pennsylvania Recreation & Park Society, \$200,000 from ESF, to provide recreation and park outreach, education, training, and technical assistance services in 2013-2014. Work to include conducting grant workshops, organizing trainings including the 2014 PRPS State Conference; management of the RecTAP Program; implementing the Get Outdoors Pennsylvania Local Parks Initiative; and implementing Pennsylvania's Urban Recreation Action Plan. Karen Burke-Crawford, 814-234-4272.

Pennsylvania Recreation and Park Society, \$58,940 from PRT, to develop trail sessions for 2014 PRPS Conference, host regional trail workshops and webinars, publish Trails to You Newsletter, provide

training on ADA assessment tool of trails, and provide technical assistance to local trail groups. Karen Burke-Crawford, 814-234-4272.

Pennsylvania Route 6 Heritage Corporation, \$100,000 from ESF, to provide technical assistance to communities along Route 6 to implement their heritage work plans; coordinate the Route 6 Artisan Trail for 2013; and identify and promote trail systems which can connect to Route 6. Terri Dennison, 814-435-7706.

Pennsylvania State Snowmobile Association, \$35,000 from Snow/ATV, to further develop statewide navigational signage project by expanding the installation of signs at snowmobile trail intersections in the northeastern counties between Tioga and Pike counties. Lori Elliott, 717-441-6045.

Pennsylvania State Snowmobile Association, \$60,000 from Snow/ATV, to administer and fund the 2013-2014 mini-grant program for trail improvements and grooming projects for snowmobile trails throughout Pennsylvania. Lori Elliott, 717-441-6045.

Pennsylvania Trails Foundation, \$35,000 from Snow/ATV, to update the Sensible, Courteous, Off-Road Enthusiasts (SCORE) program curriculum with state of the art technology to present ATV safety training, trail sustainability, environmental stewardship and trail etiquette in a mobile workshop format. Work will include updated training materials and 18 training workshops. Robert Conner, 570-899-0262.

Pennsylvania Trout, \$80,000 from ESF, to manage the Coldwater Heritage Partnership Program in 2013 – 2014. Work to include implementing a technical and financial assistance program for coldwater conservation planning and implementation projects; educating the public on the importance of protecting coldwater resources; and working with stakeholders on identifying priorities for protecting Pennsylvania streams. Samantha Kutschel, 814-359-5233.

Rails-to-Trails Conservancy, \$85,000 from ESF, to coordinate and conduct the 2014 Greenway Sojourn; provide technical assistance to trail organizations; develop and publish a trail user survey; and fund the 2014 mini-grant program. Patricia Tomes, 717-238-1717.

Schuylkill River Greenway Association, \$169,000 from ESF, to implement plans to close gaps on the Schuylkill River Trail; coordinate the Bike Schuylkill bike share program for 2013; fund the 2013 mini-grant program; and conduct trail and river related events including the 2014 Schuylkill Watershed Congress. Tim Fenchel, 484-945-0200.

Somerset County, \$50,000 from Key 93, to prepare feasibility study to identify potential on-road and off-road routes from the Great Allegheny Passage to the Flight 93 Memorial in Somerset County; and identify a conceptual route between the Flight 93 Memorial in Somerset County to the Liberty Water Gap Trail in the Delaware Water Gap National Recreation Area in Monroe County. Brad Clemenson, 814-659-3465.

Southern Alleghenies Planning and Development Commission, \$75,000 from Key 93, to conduct a mini-grant program in 2013-2014 that will implement recommendations of the SAP&DC Regional Greenways and Open Space Plan in Bedford, Blair, Cambria, Fulton, Huntington, and Somerset counties. Anne Stich, 814-949-6505.

Steel Industry Heritage Corporation, \$100,000 from ESF, to construct trail head improvements and an alternative energy project at the Pump House and Water Tower site in Munhall, Allegheny County. Jeffery T. Leber, 412-464-4020.

Susquehanna Heritage Corporation, \$100,000 from ESF, to support river tourism marketing through the development of signage, guides, digital media and special events; advance economic development initiatives in river town communities; and complete work on the Zimmerman Center for Heritage. Mark N. Platts, 717-252-0229.

The Susquehanna Greenway Partnership, \$165,000 from ESF, to implement the Susquehanna Greenway and Technical Assistance program in 2013-2014. Work to include continued implementation of the Susquehanna Greenway Rivertowns Program, education and training, and water trail coordination and management. Trish Carothers, 570-522-7259.

Grants by County by Grantee

Adams

Hamilton Township, \$12,500 from Key 93, to prepare a trail feasibility study for an approximately 1.3-mile abandoned rail corridor in East Berlin Borough and Hamilton Township. Virginia P. Zickafoose, 717-332-0096.

Allegheny

Allegheny County Redevelopment Authority, \$300,000 from Key 93, for the development of a Sports and Athletics Complex in Coraopolis Borough, Moon and Robinson townships to include the construction of a multi-purpose field; ADA access, landscaping, project sign and other related site improvements. Heather Westenzweig, 412-350-1074.

Allegheny Land Trust, \$420,000 from Key 93, for the acquisition of approximately 140 acres located along North Montour Road in Richland Township for passive recreation and headwaters protection. Roy Kraynyk, 412-741-2750.

Cheswick Borough, \$40,000 from Key 93, for the rehabilitation of McLean Park to include the construction of a basketball court; installation of play equipment with required safety surfacing; ADA access, landscaping project sign and other related site improvements. Andrew R. Bock, 724-274-5125.

Collier Township \$149,000 from Key 93, for the rehabilitation and further development of Hilltop Park to include the construction of a pavilion, parking lot, ADA access, landscaping, project sign and other related site improvements. Salvatore M. Sirabella, 412-279-2525.

Edgewood Borough, \$54,000 from Key 93, for the rehabilitation of Koenig Park to include the installation of a playground with required safety surfacing, ADA access, landscaping, project sign and other related site improvements. Warren Cecconi, 412-242-6900.

Jefferson Hills Borough, \$100,000 from Key 93, for the development of Beedle Park to include the construction of a soccer field, access road, parking, ADA access, landscaping project sign and other related site improvements. Doug Arndt, 412-655-7735.

Pittsburgh City, \$133,000 from Key 93, for further development of the Emerald View Park trail system to include the construction of approximately 1 mile of trail in Emerald View Park above the southern

entrance/exit of the Fort Pitt Tunnel; landscaping, project sign, and other related site improvements. Michael A. Gable, 412-255-2488.

Port Vue Borough, \$32,500 from Key 93, for the rehabilitation of Jim Campbell Field to include the installation of fencing, ADA access, project sign and other related site improvements. John Palyo, 412-466-7377.

South Fayette Township, \$425,000 from LWCF, for payment toward the acquisition of approximately 66 acres located along Mayview Road, for active and passive recreation, stream protection and open space. Jerry Males, 412-221-8700.

Armstrong

Allegheny Valley Land Trust, \$205,400 from PRT, for the rehabilitation of the Armstrong Trail, to include approximately 1.1 miles of trail from the intersection of McCain and McKean streets to the intersection of Water and Hill streets in Manorville Borough; ADA access, landscaping, project sign, and other related site improvements. Ronald J. Steffey, 724-543-4478.

Ford City Borough, \$34,200 from Key 93, for the further development of the Armstrong Trail, to include the construction of approximately 2,020 feet of trail to connect 14th Street and McCain Street; ADA access, landscaping, project sign, and other related site improvements. Kathy Heilman, 724-548-3223.

Kittanning Borough, \$55,600 from Key 93, for the further development of two sections of the Armstrong Trail: Section 1 to include construction of approximately 700 feet of trail from Indiana Avenue to Walnut Street; ADA access, landscaping, project sign, and other related site improvements. Work in Section 2 to include construction of approximately 500 feet of trail from Chestnut Street to Hazel Street; ADA access, landscaping, project sign, and other related site improvements. Jennifer B. Bellas, 724-548-3224.

Pine Township, \$31,800 from Key 93, for the rehabilitation of Templeton Community Park, to include installation of playground equipment with required safety surfacing, ADA access, landscaping, project sign and other related site improvements. Jennifer B. Bellas, 724-548-3224.

Beaver

Ambridge Borough, \$30,400 from Key 93, for the rehabilitation of Walter Panek Park, to include the construction of a multi-purpose field, pedestrian walkways: installation of fencing, ADA access, landscaping, project sign and other related site improvements. Eric Kaunert, 724-266-4070.

Beaver County, \$180,000 from Key 93, for the rehabilitation of Bradys Run Park, to include the construction of comfort stations, ADA access, landscaping, project sign, and other related site improvements. Tom King 724-770-2060.

Hopewell Township, \$87,000 from Key 93, for the further development of Hopewell Community Park to include construction of a pavilion, basketball court, parking area; installation of playground equipment with required safety surfacing; ADA access, landscaping, project sign and other related site improvements. Pam Fiejdasz, 724-378-1460.

Bedford

Bedford Joint Municipal Authority, \$453,100 from Key 93, for the development of the Bedford Heritage Trail in Bedford Township and Bedford Borough, to include the construction of approximately 1 mile of trail from Bedford Springs Resort in Bedford Township to the intersection of South Richard Street and Green Avenue; 2 pedestrian bridges, trailhead facilities, ADA access, landscaping, project sign, and other related site improvements. Brian D. Sell, 814-285-6395.

Broad Top Township, \$54,800 from Key 93, for the further development of the Huntingdon & Broad Top Rail Trail in Broad Top and Hopewell townships, to include construction of approximately 1.2 miles of trail from State Road 915 to Cooper Recreation Area in Broad Top Township; construction of bridge approaches at the Juniata River bridge in Hopewell Township; ADA access, landscaping, project sign, and other related site improvements. David S. Thomas, 814-928-5253.

Berks

Berks County, \$217,000 from Key 93, for the rehabilitation and further development of Antietam Lake Park, Lower Alsace Township, to include construction of an environmental education center, parking area, pedestrian walkways; installation of site utilities; ADA access, landscaping, signage and other related site improvements. Ashley Mazurek, 610-478-6300.

Fleetwood Borough, \$40,000 from Key 93, for the rehabilitation and further development of Community Park, to include installation of play equipment with required safety surfacing; ADA access, landscaping, project sign and other related site improvements. Suzan M. Wetherhold, 610-944-5334.

Kutztown Borough, \$100,000 from Key 93, for the rehabilitation and further development of Kutztown Park, to include construction of a pavilion/comfort station; installation of play equipment with required safety surfacing; ADA access, landscaping, project sign and other related site improvements. Gabriel Khalife, 610-683-6131.

Natural Lands Trust, Inc., \$135,000 from Key 93, toward the acquisition of approximately 59 acres located along Mullen Hollow Road, Robison and Union townships, Berks County for open space, passive recreation and stream protection. Jack Stefferud, 610-353-5587.

Reading City, \$100,000 from Key 93, for the rehabilitation and further development of Keffer Park, to include construction of ball field, pedestrian walkways; installation of play equipment with required safety surfacing, lighting, site amenities; ADA access, landscaping, project sign, and other related site improvements. Cindy DeGroote, 610-655-6076.

Schuylkill River Greenway Association, \$55,000 from Key 93, to prepare a feasibility study to determine the type, size and location of a pedestrian bridge over State Route 724; and identify design solutions to mitigate river debris accumulation at the existing river bridge over the Schuylkill River. Robert C. Folwell, 484-945-0200.

Shoemakersville Borough, \$310,000 from Key 93, for the rehabilitation and further development of Shoemakersville Community Swimming Pool, to include renovation of main pool, wading pool, zero-depth entry; bathhouse, concession stand; construction of parking area, pedestrian walkways; installation of filtration and circulation systems, utilities, lighting, site amenities; ADA access, landscaping, project sign and other related site improvements. Amy Botwright, 610-562-8030.

Bradford

Bradford County, \$79,000 from Key 93, for the further development of Sunfish Pond County Park, Leroy Township, to include construction of a boat dock, boardwalk/observation deck, pedestrian walkways, pavilion, parking area, storm water management measures; installation of play equipment with required safety surfacing; ADA access, landscaping, signage and other related site improvements. Anthony P. Liguori, 570-265-5539.

Bradford County, \$10,000 from Key 93, to hire a peer consultant to develop a long-term maintenance and operations plan, evaluate the potential for revenue producing facilities and programs, and develop an organizational structure for staff and volunteers for a county recreation and parks department. Raymond J. Stolinas, 570-268-4103.

Bucks

Bucks County, \$40,000 from Key 93, to study the feasibility of developing a multi-use trail along the 9.3-mile Middle Neshaminy Creek Greenway from the Forks of the Neshaminy Creek to Core Creek County Park in Newtown Borough, and Middletown, Newtown, Northampton, and Wrightstown townships. Paul Gordon, 215-345-3884.

Chalfont Borough, \$173,700 from Key 93, for the rehabilitation and further development of Kelly Park, to include the reconstruction of pedestrian walkways, restoration of riparian buffers, installation of informational kiosks, site amenities, trail and interpretative signage, ADA access, landscaping, project sign, and other related site improvements. Melissa A. Shafer, 215-822-7295.

DCNR-Bureau of State Parks-Nockamixon, \$7,360 from PRT, for the purchase of a trail utility vehicle for maintenance of 55 miles of trails in Nockamixon State Park, East Rockhill Township, Bucks County. Obie Derr, 215-529-7300.

Doylestown Township, \$200,000 from Key 93, for the development of the Destination Peace Valley Trail, Doylestown and New Britain townships and New Britain Borough, to include the construction of approximately 1.1 miles of trail and a pedestrian bridge to connect the Doylestown Community Bike and Hike System to Pine Run Reservoir and Covered Bridge Park in Doylestown Township to the Peace Valley Park in New Britain Township; ADA access, landscaping, project sign, and other site improvements. Stephanie Mason, 215-348-9915.

Falls Township, \$92,000 from Key 93, to prepare a Master Site Development Plan for the approximately 525-acre Biles Island. Eric Rosina, 609-918-0200.

Penndel Borough, \$125,000 from Key 93, for the rehabilitation and further development of the Memorial Field Recreation Complex, to include reconstruction of ball fields; construction of retaining wall; installation of fencing, backstop, dugouts, bleachers, lighting, ADA access, landscaping, site amenities, project sign, and other related site improvements. Barbara Heffelfinger, 215-757-5152.

Plumstead Township, \$280,000 from Key 93, for the development of Owls Nest Park, to include the construction of pedestrian trails and bridge; restoration of a pond and meadow area; construction of a comfort station; invasive plant removal and restoration of native species, site amenities, ADA access landscaping, project sign, and other related site improvements. Carolyn McCreary, 215-766-8914.

Richlandtown Borough, \$31,800 from Key 93, for the further development of Benner Memorial Park, to include construction of a pavilion; installation of play equipment with required safety surface, fencing, ADA access, landscaping, site amenities, project sign, and other related site improvements. Jocelyn O. Myers, 267-373-9911.

Sellersville Borough, \$64,200 from Key 93, for the repair of stone walls and the adjacent dam apron along the Northeast Branch of Perkiomen Creek in Lake Lenape Park; stream banks will be stabilized; surface water will be channeled to a new designed swale. David J. Rivet, 215-257-5075.

Tinicum Township, \$15,000 from Key 93, to prepare a Master Site Development Plan for the approximately 18-acre community park. Linda E. McNeill, 610-294-9154.

Butler

Cranberry Township, \$90,000 from Key 93, for the development of the Brush Creek Trail, to include the construction of approximately 1 mile of trail to connect Rochester Road to Powell Road through Graham Park in Cranberry Township; ADA access, landscaping, project sign and other related site improvements. Jerry Andree, 724-776-4806.

East Butler Borough, \$32,000 from Key 93, for the rehabilitation of Brandon and Fire Hall Parks. Brandon Park - work to include the installation of playground equipment with required safety surfacing, parking, ADA access landscaping, project sign and other related site improvements. Fire Hall Park - work to include reconstruction of basketball court, parking; installation of fencing, ADA access, landscaping, project sign and other related site improvements. Gary L. Pinkerton, 724-284-5383.

Lancaster Township, \$15,000 from Key 93, to prepare a Master Site Development Plan for a 26-acre community park. Gary L. Pinkerton, 724-284-5383.

Mars Borough, \$35,000 from Key 93, for the rehabilitation of Clay Avenue Park, to include the installation of playground equipment with required safety surfacing; pavilion improvements, ADA access, landscaping, project sign and other related site improvements. Gary L. Pinkerton, 724-284-5383.

North Country Trail Association, Inc. /Butler Chapter, \$19,200 from PRT, for the further development of the North Country National Scenic Trail, Muddycreek and Worth townships, to include the construction of approximately 0.5 miles of trail and a 52-foot bridge over Muddy Creek in Moraine State Park; ADA access, landscaping, project sign and other related site improvements. Tom C. Baumgardner, 724-794-4913.

Cambria

Loretto Borough, \$187,000 from Key 93, for the development of McGuire Park, to include construction of comfort station, amphitheater, pavilion, storm water management measures, access drive, parking area, pedestrian walkways; installation of utilities and playground equipment with required safety surfacing utilities; ADA access, landscaping, project sign, and other related site improvements. Robert J. Young, 814-472-3119.

Carbon

Carbon County, \$208,200 from Key 93, for the further development of the Delaware & Lehigh Trail in Weissport and Lehighton boroughs, and East Penn Township, to include the development of approximately 0.4 miles of on-road trail from the existing D&L Trail in Weissport Borough to Bankway Street in Lehighton Borough; construction of approximately 3.2 miles of trail from the sewage treatment plant south of Lehighton to the East Penn Boat Launch / D&L Trailhead on Riverview Road in East Penn Township; road crossing improvements, ADA access, landscaping, signage and other related site improvements. H. Scott Everett, 610-923-3548.

Centre

Juniata Valley Council, Boy Scouts of America, \$250,000 from ESF, for the rehabilitation of Seven Mountains Scout Camp, Potter Township, to include construction of a comfort station/shower house building; installation of utilities, ADA access, landscaping, project sign and other related site improvements. James J. Kennedy, 717-667-9236.

State College Borough, \$10,000 from Key 93, to prepare a Master Site Development Plan for the 11-acre Holmes-Foster Park. Alan W. Sam, 814-234-7145.

State College Borough, \$50,000 from Key 93, for the further development of Orchard Park, to include the construction of pedestrian walkways; the installation of playground equipment with required safety surfacing; ADA access, landscaping, project sign and other related site improvements. Courtney E. Hayden, 814-278-4723.

Chester

East Bradford Township, \$80,000 from Key 93, for the further development of the East Branch Brandywine Trail, to include the construction of approximately 800 feet of trail to connect the terminus of the existing trail to a parking area west of the Route 322 and Skelp Level Road intersection in East Bradford Township; trailhead parking, ADA access, landscaping, project sign, and other related site improvements. Mandie Cantlin, 610-436-5108.

East Brandywine Township, \$272,500 from LWCF, for payment toward the acquisition of approximately 21 acres located along Bondsville Road, East Brandywine Township, for passive recreation, stream protection and open space. Scott T. Piersol, 610-269-8230.

East Fallowfield Township, \$137,600 from Key 93, for the rehabilitation and further development of East Fallowfield Community Park, to include construction of a pedestrian trail and bridge, rain gardens; installation of native species, butterfly plantings, ADA access, landscaping, site amenities, interpretive signage, project sign, and other related site improvements. Chris R. Della Penna, 610-857-0045.

East Vincent Township, \$30,000 from Key 93, to prepare a Master Site Development Plan for the approximately 95-acre Veterans' Center Park. Mary E. Flagg, 610-933-4424.

Natural Lands Trust, Inc., \$154,000 from Key 93, for payment toward the acquisition of approximately 4 acres located along Saint Peters Road, Warwick Township, for open space, passive recreation and habitat protection. Jack Stefferud, 610-353-5587.

North Coventry Township, \$259,300 from Key 93, for payment toward the acquisition of approximately 19 acres located along Olive Lane, for passive recreation, stream protection and open space. Kevin F. Hennessey, 610-323-1694.

The Wallace Trust, \$27,500 from Key 93, for payment toward the acquisition of approximately 8 acres located along Creek Road, Wallace Township, for passive recreation, stream protection and open space. Barbara D'Angelo, 610-942-2990.

Chester, Delaware

Chester County, \$75,000 from Key 93, to complete a multi-municipal strategic action plan for the Brandywine Creek Greenway. Jake Michael, 610-344-6503.

Chester, Montgomery

Pottstown Metropolitan Regional Planning Committee, \$100,000 from Key 93, for the rehabilitation and further development of up to 8 community parks in Chester and Montgomery counties. Anna Brendle, 610-323-2006.

Clarion

East Brady Borough, \$40,000 from Key 93, for the further development of East Brady Recreation Complex, to include construction of a comfort station, pedestrian walkways; installation of utilities; ADA access, landscaping, project sign and other related site improvements. Sandra L. Steiner, 724-526-5531.

Clarion, Forest

DCNR-Bureau of State Parks-Cook Forest, \$5,000 from PRT, for the rehabilitation of multi-use trails in Cook Forest State Park, Farmington, Highland, and Millcreek townships, to include rehabilitation of approximately 3 miles of trails; trailheads, ADA access, landscaping, project sign, and other related site improvements. Sean Benson, 814-744-8407.

Clearfield

Boggs Township, \$40,000 from Key 93, for the development of Boggs Township Community Park, to include construction of an access drive, parking area, pavilion, pedestrian bridge and walkways; ADA access, landscaping, project sign and other related site improvements. Denise L. Dobo, 814-342-5243.

Clearfield Swimming Pool Association, Inc., \$500,000 from ESF, for the rehabilitation of Clearfield Community Pool, to include reconstruction of the main pool, wading pool, bathhouse; construction of splash pad; installation of water slide, perimeter fencing, filtration and recirculation systems; ADA access, project sign and other related site improvements. Brian K. Marshall, 814-592-1717.

DuBois City, \$200,000 from Key 93, for the rehabilitation of Showers Field, to include construction of baseball field, parking area, pedestrian walkways; installation of sideline fencing, backstop; ADA access, landscaping, project sign and other related site improvements. John Suplizio, 814-371-2000.

Clinton

Woodward Township, \$40,000 from Key 93, for the further development of Riverview Park, to include construction of a pavilion, parking area and pedestrian walkway; ADA access, project sign and other related site improvements. Jessica H. Sheets, 814-329-8129.

Columbia

Bloomsburg Town, \$50,000 from Key 93, for the development of Streater Park, to include construction of a football field and pedestrian walkways; ADA access, landscaping, project sign and other related site improvements. Charles B. Fritz, 570-784-4532.

Crawford

Crawford County, \$83,000 from Key 93, for payment toward the acquisition of approximately 1.67 miles of trail from the current trail terminus in Titusville at South Martin Street to Perry Street Station. Amy Schmidt, 814-333-7309.

Western Pennsylvania Conservancy, \$313,000 from Key 93, for payment toward the acquisition of approximately 285 acres along Rogers Ferry Road, Hayfield Township, for open space, critical habitat, stream protection and passive recreation. Mary Sanders, 570-226-9545.

Crawford, Erie, Warren

Tri County Snow Blazers, Inc., \$160,000 from PRT, for the purchase of a snow groomer and drag for the maintenance of 20 miles of snowmobile trails in Crawford, Erie and Warren counties. Joseph J. Miller, 814-694-3266.

Cumberland

Lower Allen Township, \$127,500 from Key 93, for the further development of Cedar Spring Run Park, to include construction of pedestrian footbridge and walkways, storm water management measures and stream bank stabilization; installation of lighting, playground equipment with required safety surfacing; ADA access, landscaping, project sign and other related site improvements. Erin Genest, 717-975-7575.

Shiremanstown Borough, \$28,000 from Key 93, for the rehabilitation of Memorial Park, to include construction of a basketball court and pedestrian walkway; installation of lighting; ADA access, landscaping, project sign and other related site improvements. Janna E. Colechio, 717-761-4169.

South Middleton Township, \$16,000 from Key 93, to prepare a Master Site Development Plan for a 50-acre expansion to Spring Meadows Park in South Middleton Township. Sarah B. Colondrillo, 717-258-5324

Dauphin

Conewago Township, \$200,000 from Key 93, for the development of Conewago Township Park to include construction of a baseball field, multi-purpose field, parking area, internal pedestrian walkways, stormwater management measures and rain garden; installation of playground equipment with required safety surfacing; ADA access, landscaping, project sign and other related site improvements. Joel Buckley, 717-534-8556.

Millersburg Borough, \$107,800 from Key 93, for the further development of the Lykens Valley Rail Trail in Upper Paxton Township, to include the construction of approximately 1.5 miles of trail from the Power Line Trail to Woodside Station Road; ADA access, landscaping, signage and other related site improvements. Chris McGann, 717-692-2389.

Steelton Borough, \$150,000 from Key 93 to rehabilitate and further develop Mohn Street Intergenerational Park, with work to include construction of tennis court, hand ball courts, stormwater management measures, rain garden, parking area and pedestrian walkway; installation of fencing, utilities and playground equipment with required safety surfacing; ADA access, landscaping, project sign and other related site improvements. Doug Brown, 717-939-6561.

Delaware

Millbourne Borough, \$13,200 from Key 93, to prepare an open space and community connector greenway plan. Tina Mason, 610-352-9080.

Upper Darby Township, \$10,000 from Key 93, to prepare a feasibility study and conceptual design for a multi-use trail through Naylor's Run Public Park. John McMullan, 610-734-7716.

Delaware, Montgomery, Philadelphia

Radnor Township, \$45,000 from Key 93, to prepare a feasibility study for two segments of an approximately 5.5-mile multi-use trail; Radnor Township, Delaware County; Lower Merion Township, Montgomery County; and Philadelphia. Study Area 1 evaluates a 1-mile segment to connect South Radnor Chester Road to Sproul Road. Study Area 2 evaluates a 4.5-mile segment to connect SEPTA's Wynnwood Station in Lower Merion Township to the Cobbs Creek Trail at Market and 63rd streets in Philadelphia. Melissa Conn, 610-688-5600.

Elk

Western Pennsylvania Conservancy, \$41,000 from Key 93, for payment toward the acquisition of approximately 24 acres located along Route 555, Benezette Township, for passive recreation and stream protection. Matt Marusiak, 814-776-1114.

Erie

Paddle Without Pollution, \$18,600 from Key 93, to prepare a feasibility study for a water trail in Presque Isle State Park, to include a detailed inventory and assessment of the project area, route selection, trailhead selection, signage plan development and a public participation process. David Rohm, 412-260-9001.

Fayette

Western Pennsylvania Conservancy, \$550,000 from Key 93, for payment toward the acquisition of approximately 977 acres located along Wharton Furnace Road in Wharton Township, for critical habitat, passive recreation, stream protection and open space. Gregory Socha, 412-586-2311.

Franklin

Chambersburg Borough, \$150,000 from Key 93, to rehabilitate and further develop Mike Waters Memorial Park to include construction of a multi-purpose field, splash pad and internal pedestrian walkways; ADA access, landscaping, project sign and other related site improvements. Guy Shaul, 717-261-3275.

Indiana

Conemaugh Valley Conservancy, \$50,000 from PRT, for the rehabilitation of the West Penn Trail in Black Lick, Burrell, and Conemaugh townships, to include the rehabilitation of approximately 12 miles of the Conemaugh River Lake section; ADA access, landscaping, project sign, and other related site improvements. Laura Hawkins, 724-858-0463.

Jefferson

Punxsutawney Area Community Arts & Recreation Center Inc., \$180,000 from ESF, for the rehabilitation of Punxsutawney Area Community Center, Punxsutawney Borough, to include construction of roof, upgrades to the electrical system, theater improvements; ADA access, project sign and other related site improvements. James M. Roberts, 814-938-5000.

Lackawanna

Lackawanna Heritage Valley Authority, \$40,000 from Key 93, for payment toward the acquisition of 2 trail easements consisting of approximately 0.85 acres to provide approximately 0.6 miles of trail to connect the Lackawanna River Heritage Trail between Enterprise Drive in Carbondale City and Oswego Street in Fell Township. Natalie Gelb, 570-963-6730.

Lackawanna Heritage Valley Authority, \$392,500 from Key 93, for the further development of the Lackawanna River Heritage Trail in Carbondale City, to include the construction of approximately 1 mile of trail from State Route 171 by Holt Lumber along the Lackawanna River to the intersection of John Street and US Route 6; rehabilitation of 2 pedestrian bridges, solar-powered LED lighting, trailhead facilities, ADA access, landscaping, signage and other related site improvements. Natalie Gelb, 570-963-6730.

Lackawanna, Susquehanna, Wayne

Northeast PA Sno Trails, Inc., \$174,200 from PRT, to purchase a snowmobile trail groomer to groom 230 miles of snowmobile trails. James Griffin, 570-780-9155.

Lancaster

Akron Borough, \$139,200 from Key 93, for the further development of the Warwick to Ephrata Rail Trail in Ephrata and Warwick townships, and Akron Borough, to include the construction of approximately 0.9 miles of trail from the Warwick Township building to Newport Road in Warwick Township; construction of approximately 0.25 miles of trail from Main Street to Millway Road in Warwick Township; pedestrian culvert, lighting, ADA access, landscaping, signage and other related site improvements. Daniel D. Guers, 717-859-1600.

Conoy Township, \$62,400 from Key 93, for the further development of the Northwest Lancaster County River Trail, to include the construction of approximately 0.2 miles of trail through the entire length of the

Bainbridge Riverfront Park; construction of a trailhead, safety improvements, solar-powered lighting, ADA access, landscaping, signage and other related site improvements. Robert F. Strickland, 717-367-4927.

Elizabethtown Borough, \$250,000 from Key 93, for the rehabilitation of Elizabethtown Community Park to include construction of pedestrian walkways, boardwalks, amphitheater, volleyball court, and parking area; installation of playground equipment with required safety surfacing, lighting and park signage; ADA access, landscaping, project sign and other related site improvements. Cindy Foster, 717-367-1700.

Lancaster County Conservancy, \$113,600 from Key 93, for payment toward the acquisition of two parcels, each approximately 16 acres, along Narvon Road and adjacent to Welsh Mountain Nature Preserve and Money Rocks Park in Salisbury and East Earl townships, for protection of woodland, connectivity and passive recreation. Kate S. Gonick, 717-392-7891.

Manheim Township, \$23,200 from Key 93, to prepare Master Site Development Plans for the approximately 5-acre Perelman Park, approximately 2-acre Jaycee Park, and approximately 67-acre Landis Woods Park. Margaret L. Earnest, 717-290-7180.

Providence Township, \$408,400 from Key 93, for the development of the Enola Low Grade Trail in Conestoga, Eden, Martic, and Providence townships, and Quarryville Borough, to include construction of approximately 9 miles of trail from the Providence Township line near Sigman Road to Hess Road in Eden Township; construction of one pedestrian bridge and rehabilitation of a second, 3 trailheads, ADA access, landscaping, signage and other related site improvements. Greg Collins, 717-786-7596.

Lawrence

New Wilmington Borough, \$250,000 from LWCF, for the further development of New Wilmington Community Park, to include construction of a bathhouse, ADA access, landscaping, project sign and other related site improvements. Sharonn L. Edmiston, 724-946-8167.

Lebanon

Lebanon City, \$225,000 from Key 93, for the rehabilitation and further development of Coleman Memorial Park, to include construction of storm water management measures, access drive, parking areas, amphitheater, pedestrian walkways; installation of playground equipment with required safety surfacing; ADA access, landscaping, project sign and other related site improvements. Melissa Quinones, 717-273-6711.

Lebanon County, \$125,000 from Key 93, for the development of the Cornwall Trailhead at the intersection of Cornwall and Schaeffer roads in Cornwall Borough, to include the construction of comfort stations, construction of additional parking, ADA access, landscaping, signage and other related site improvements. John A. Wengert, 717-273-2658.

Palmyra Borough, \$200,000 from Key 93, for the rehabilitation of Fireman's Park, to include construction of concession stand/pavilion, parking area, amphitheater, ball field, pedestrian walkway; installation of fitness equipment and playground equipment with required safety surfacing; ADA access, landscaping, project sign and other related site improvements. Roger Powl, 717-838-6361.

South Londonderry Township, \$193,300 from LWCF, for the development of Campbelltown Community Park, including construction of access drive, parking area and storm water management measures, multi-purpose fields and pedestrian walkways; ADA access, landscaping and riparian buffer plantings, project sign and other related site improvements. Thomas S. Ernharth, 717-838-5556.

Lehigh

Allentown City, \$19,600 from Key 93, to determine the feasibility of restoring the Lake Muhlenberg area of Cedar Creek, to include conducting a public participation process; providing information to develop and analyze alternative restoration strategies; and developing preliminary engineering and construction costs. Rick Holtzman, 610-437-7750.

Allentown City, \$40,100 from Key 93, to restore Jordan Creek in Allentown's Jordan Park to include: removal of impoundment structures; installation of fish habitat structures; remove invasive species along riverbanks and replant native trees and wildflowers along riverbanks; project signage and other related site improvements. Abigail Pattishall, 610-965-4397.

Lehigh County, \$100,000 from Key 93, for the further development of the Jordan Creek Greenway in Whitehall and South Whitehall townships, to include the construction of approximately 0.68 miles of trail from Lehnert Road to Mauch Chunk Road; trailhead facilities, pedestrian bridge, landscaping, ADA access, signage and related site improvements. Robert Stiffler, 610-871-0281.

Lehigh County, \$197,000 from Key 93, for the further development of Cedar Creek Parkway West in South Whitehall Township, to include construction of soccer fields, parking areas; installation of irrigation system, pedestrian walkways, lighting, site amenities; ADA access, landscaping, project sign and other related site improvements. Robert Stiffler, 610-871-0281.

Upper Saucon Township, \$32,500 from Key 93, for the development of the Saucon Valley Rail Trail, to include construction of approximately 0.2 miles of trail to connect the completed Phase 1 section of the Saucon Valley Rail Trail through Upper Saucon Community Park to the completed Phase 2 section of the Saucon Valley Rail Trail; ADA access, project sign and other related site improvements. Joseph Geib, 610-282-1171.

Upper Saucon Township, \$25,000 from Key 93, to prepare a Master Site Plan for the 15-acre Community Park. Joseph Geib, 610-282-1171.

Whitehall Township, \$117,300 from LWCF, for payment toward the acquisition of approximately 11 acres along Ruch Street, for expansion of the Whitehall Greenway to include an access point, open space and passive recreation. Edward D. Hozza, 610-437-5524.

Whitehall Township, \$123,800 from Key 93, for the further development of the Ironton Rail Trail in North Whitehall and Whitehall townships, to include the construction of approximately 2.3 miles of trail from Portland Street in North Whitehall Township to the existing Ironton Rail Trail loop near Limestone Drive in Whitehall Township; ADA access, project sign and other related site improvements. Edward D. Hozza, 610-437-5524.

Wildlands Conservancy, Inc., \$21,000 from Key 93, for payment toward the acquisition of approximately 5 acres southeast of Dogwood Lane and adjacent to South Mountain Preserve, in Salisbury Township, for habitat protection, environmental education and passive recreation. Kent A. Baird, 610-965-4397.

Wildlands Conservancy, Inc., \$76,700 from Key 93, for payment toward the acquisition of approximately 36 acres along Rock Road and adjacent to South Mountain Preserve, in Salisbury and Upper Saucon townships, for habitat protection, environmental education and passive recreation. Kent A. Baird, 610-965-4397.

Luzerne

Foster Township, \$40,000 from Key 93, for the development of Upper Lehigh Park, to include the installation of playground equipment with required safety surfacing, fencing; construction of a parking area, ADA access, landscaping, project sign and other related site improvements. Robert J. Dougherty, 570-459-2609.

Hollenback Township, \$20,000 from Key 93, for the development of Hollenback Township Community Park, to include construction of pavilion, parking area, pedestrian walkways; installation of fencing; ADA access, landscaping, project sign and other related site improvements. Marla Conklin, 570-379-2535.

North Branch Land Trust, \$850,000 from Key 93, for payment toward the acquisition of approximately 384 acres along Bald Mountain Road, Bear Creek Township, for woodland protection, open space and passive recreation. Rylan Coker, 570-696-5545.

Lycoming

Jersey Shore Borough \$205,700 from Key 93, for the development of a concrete community boat launch, concrete aprons and a new stone parking lot; widening of an existing driveway; stream bank stabilization, removal of invasive species and planting of native species; ADA access, interpretive and project signage; and other related site improvements. Gretchen Speicher, 570-398-0104.

Loyalsock Township, \$18,500 from Key 93, to prepare a greenway study and master site plan for an approximately 1.5 mile extension of the Susquehanna Bikeway along Millers Run. Shannon M. Lukowsky, 570-323-6151.

Williamsport City, \$250,000 from Key 93, for the rehabilitation of Shaw Place Park, to include reconstruction of the main pool and wading pool, bathhouse/concession stand; installation of filtration and recirculation systems, utilities; ADA access, project sign and other related site improvements. John Grado, 570-327-7511.

Mercer

Farrell City, \$36,000 from Key 93, for further development of Veterans Square Park to include the construction of a comfort station, parking, ADA access, landscaping project sign and other related site improvements. Brian Foster, 724-981-1561.

Hermitage City, \$25,000 from Key 93, to prepare a Comprehensive Recreation, Parks and Open Space Plan. Jeremy Coxe, 724-981-0800.

Hermitage City, \$100,000 from Key 93, to further develop Hermitage Athletic Complex to include installation of lighting at ballfield, playground equipment with required safety surfacing; construction of

pedestrian trail, ADA access, landscaping, project sign and other related site improvements. Jeremy Coxe, 724-981-0800.

Sharpsville Borough, \$152,000 from Key 93, for the rehabilitation of Milliken Park, to include construction of pavilion, parking lot, access drive, pedestrian trail; installation of playground equipment with required safety surfacing, ADA access, landscaping, project sign and other related site improvements. Mourine Rodgers, 724-962-9848.

Sharpsville Borough, \$11,000 from Key 93, for payment toward the acquisition of approximately 1 acre located along East High Street, for passive recreation, stream protection and open space. Mourine Rodgers, 724-962-9848.

Wheatland Borough, \$40,000 from Key 93, for the rehabilitation of Beechwood Avenue Playground to include the installation of playground equipment with required safety surfacing, ADA access, landscaping, project sign and other related site improvements. Brian Foster, 724-981-1561.

Monroe

Chestnuthill Township, \$140,000 from Key 93, for payment toward the acquisition of approximately 52 acres along Little Mexico Road, for connectivity with a municipal greenway, open space and passive recreation. David R. Albright, 570-992-7247.

Pocono Heritage Land Trust, \$518,000 from Key 93, for payment toward the acquisition of approximately 241 acres along Henry's Crossing Road, Paradise Township, for woodland protection, open space and passive recreation. Dawn Gorham, 570-424-1514.

Stroud Township, \$360,000 from Key 93 and PRT, for the development of the Pocono Greenway in Stroudsburg Borough and Stroud Township to include the construction of a pedestrian bridge over the Pocono Creek between Knight's Park in Stroudsburg Borough and Stroudsburg High School in Stroud Township, bridge approaches, ADA access, project sign and other related site improvements. Tim Herd, 570-426-1512.

Wildlands Conservancy, Inc., \$133,500 from Key 93, for payment toward the acquisition of approximately 186 acres along Stony Hollow Road and adjacent to Maple Tract Preserve, in Tunkhannock and Tobyhanna townships, for woodland and wetland habitat protection, open space and passive recreation. Kent A. Baird, 610-965-4397.

Montgomery

Cheltenham Township, \$100,000 from Key 93, for the rehabilitation and further development of High School Park, to include construction of pedestrian walkways, rain garden, irrigation system; eradication of invasive plants, installation of native species, fencing, interpretive signage, ADA access, landscaping, project sign, and other related site improvements. Bryan T. Havir, 215-887-6200.

Lower Salford Township, \$30,500 from Key 93, to prepare a feasibility study for an approximately 1.7-mile multi-use trail to connect Heckler Plains Park to Evansburg State Park. Mary L. West, 215-256-8087.

North Wales Borough, \$20,000 from Key 93, for the rehabilitation of Wee Whalers Park, to include the installation of play equipment with required safety surface, fencing; construction of pedestrian walkways, ADA access, landscaping, site amenities, project sign, and other related site improvements. Nathaniel Dysard, 215-699-4424.

Montgomery, Philadelphia

Lower Merion Township, \$500,000 from Key 93, for the development of the Manayunk Bridge multi-use trail connector, to include the design and construction of approximately 0.5 miles of trail on the Manayunk Bridge to connect the Cynwyd Heritage Trail to the Schuylkill River Trail; ADA access, landscaping, project sign, and other related site improvements. Lindsay L. Taylor, 610-645-6220.

Northampton

Bushkill Township, \$19,200 from Key 93, to prepare a Master Site Development Plan for the approximately 90-acre community park. Brian D. Harris, 610-759-1250.

Bushkill Township, \$656,500 from Key 93, for payment toward the acquisition of approximately 90 acres along Kromer and Jacobsburg Roads, and within the Bushkill Greenway for connectivity and passive recreation. Laura P. Baird, 215-345-7020.

Easton City, \$175,000 from Key 93, for the rehabilitation and further development of Hugh Moore Park, to include construction of outdoor classroom/pavilion, parking area, pedestrian walkways; installation of play equipment with required safety surfacing, site amenities; ADA access, landscaping, signage and other related site improvements. David Hopkins, 610-250-6680.

Wind Gap Borough, \$24,000 from Key 93, to prepare a Master Site Development Plan for the approximately 33-acre Wind Gap Borough Park. Louise M. Firestone, 610-863-7288.

Northumberland

Herndon Borough, \$40,000 from Key 93, for the rehabilitation of Herndon Community Park, to include construction of parking area and pedestrian walkways; installation of playground equipment with required safety surfacing; ADA access, landscaping, project sign, and other related site improvements. Alexis M. Schaffner, 570-758-2802.

Perry

Newport Borough, \$110,600 from Key 93, for the rehabilitation of Veterans Memorial Park, to include construction of a comfort station/concession facility, parking area and pedestrian walkways; ADA access, landscaping, project sign and other related site improvements. Frank Campbell, 800-262-8806.

Philadelphia

Philadelphia City, \$500,000 from Key 93, for the development of the Poquessing Creek Trail, to include the construction of approximately 1.5 miles of trail and a pedestrian bridge to connect Junod Playground to Poquessing Creek Park and Benjamin Rush State Park; ADA access, landscaping, project sign, and other related site improvements. Robert Armstrong, 215-683-0229.

Philadelphia City, \$438,000 from Key 93, for the development of Ingersoll Park to include construction of rain gardens for stormwater management; pedestrian walkways; installation of solar lighting, landscaping, site amenities, ADA access, project sign, and other related site improvements. Stephanie Craighead, 215-683-0210.

Philadelphia City, \$194,400 from Key 93, for the rehabilitation and further development of Weccacoe Park to include construction of infiltration planting beds, spray feature, pedestrian walkways, resurfacing of tennis court; installation of play equipment with required safety surface, utilities, mechanical upgrades, landscaping, historical signage, ADA access, project sign, and other related site improvements. Ed Fagan, 215-683-3608.

Schuylkill River Development Corporation, \$225,000 from Key 93, for the further development of the Schuylkill River Trail in Philadelphia, to include the design and construction of approximately 1,200 feet of trail to connect South Street to Christian Street; ADA access, landscaping, project sign, and other related site improvements. Joseph R. Synchron, 215-222-6030.

Pike

Pike County, \$819,000 from Key 93, for the acquisition of approximately 448 acres off Silver Lake Road and adjacent to Delaware State Forest, Delaware Township, Pike County, for connectivity with a municipal greenway, open space and passive recreation. Sally Corrigan, 570-226-6293.

Pike County, \$30,100 from Key 93, to prepare a Greenways Plan for the Lackawaxen-Upper Delaware River including Lackawaxen, Milford, Shohola and Westfall townships and Matamoras and Milford boroughs. Nicholas A. Dickerson, 570-296-3500.

Shohola Township, \$94,000 from Key 93, for the rehabilitation and further development of Rohman Park to include rehabilitation of ballfield; construction of pavilion; installation of play equipment with required safety surfacing, fencing, pedestrian walkways, utilities, lighting; ADA access, landscaping, project sign and other related site improvements. Diana Blume, 570-599-7394.

Schuylkill

Cass Township, \$40,000 from Key 93, for the rehabilitation and further development of Forestville Park, to include renovation of basketball court; installation of play equipment with required safety surfacing, fencing; ADA access, landscaping, project sign and other related site improvements. James Thomas, 570-544-5370.

Frailey Township, \$40,000 from Key 93, for the rehabilitation and further development of the Township Park, to include installation of play equipment with required safety surfacing, fencing, parking area, rain garden, site amenities; ADA access, landscaping, project sign and other related site improvements. Donald Allar, 570-695-5727.

Port Carbon Borough, \$40,000 from Key 93, for the further development of Francis Lubinsky Park, to include construction of a basketball court, parking area, pedestrian walkway; ADA access, landscaping, project sign and other related site improvements. Harold Herndon, 570-622-2255.

Rausch Creek Off-Road Park, Inc., \$79,000 from Snow/ATV, to purchase a dozer and crawler loader to construct and maintain 70 miles of off-road motorized recreational trails in Schuylkill County. Bruce Shallis, 610-842-3596.

St. Clair Borough, \$40,000 from Key 93, for the rehabilitation and further development of Third Street Park, to include construction of parking area, pedestrian walkway; installation of play equipment with required safety surfacing, fencing; ADA access, landscaping, project sign and other related site improvements. Ronald Price, 570-429-0640.

Snyder

Middlecreek Township, \$40,000 from Key 93, for the rehabilitation of Middlecreek Recreation Area, to include the installation of lighting, playground equipment with required safety surfacing; ADA access, landscaping, project sign and other related site improvements. Richard E. Constant, 570-837-0491.

Somerset

Maple Summit Snowmobilers, Inc., \$4,000 from Snow/ATV, to purchase a trailer to transport trail maintenance equipment to construct and maintain the 65-mile Laurel Highlands Snowmobile Trail system in Somerset County. David E. McCarty, 412-480-7068.

Somerset County Conservancy, \$118,700 from Key 93, for payment toward the acquisition of approximately 53 acres along Craig Road and adjacent to Kimberly Run Natural Area, Somerset Township, for improved public access, parking area, and access point for existing trail system. James R. Moses, 814-445-4850.

Union

Lewisburg Area Recreation Authority, \$10,000 from Key 93, to hire a peer consultant to update an existing multi-municipal agreement, evaluate the current organizational structure, management/staffing operations, revenue generation and provide recommendations for improvement. Katie J. Davis, 570-524-4774.

Venango

Allegheny Valley Trails Association, \$176,000 from PRT, for the rehabilitation of the Allegheny River Trail and Sandy Creek Trail, Cranberry Township, to include the rehabilitation of approximately 3.5 miles of trail from the bridge spanning Lower Two-Mile Run to Belmar Bridge; purchase of trail maintenance equipment, ADA access, landscaping, project sign, and other related site improvements. David Howes, 814-226-6536.

Western Pennsylvania Conservancy, \$40,900 from Key 93, for payment toward the acquisition of approximately 55 acres located along Hill City Road, Cranberry Township for critical habitat, passive recreation, stream protection and open space. Jane Menchyk, 412-586-2333.

Washington

Cross Creek Township, \$91,200 from Key 93, for the further development of Cedar Grove Park, to include construction of pavilion; comfort station/concession building; storm water management measures;

pedestrian walkways; installation of utilities, expansion of parking area; ADA access, landscaping, project sign and other related site improvements. Rachel W. Blosser, 724-587-3442.

Montour Trail Council, \$188,100 from PRT, for the further development of the Montour Trail in Peters Township, to include the construction of a 160-foot pedestrian bridge over Valley Brook Road and Brush Run; ADA access, landscaping, project sign, and other related site improvements. Mark C. Imgrund, 724-941-6351.

Westmoreland
