Camping Season

This campground opens in May and closes the third Sunday in October.

Reserving a Site

Most campsites in Pennsylvania state parks can be reserved 11 months in advance to noon of the day of arrival. Campers without a reservation arriving after noon should check near the campground entrance for instructions.

Reservations can be made using MasterCard, VISA, American Express and Discover credit cards or personal, traveler's and cashier's checks. To receive a confirmed reservation, full payment must be received by the Bureau within ten days of making the reservation.

To reserve a campsite, visit www.visitPAparks.com, or call 888-PA-PARKS (888-727-2757), Monday to Saturday, 7 a.m. to 5 p.m. except on the Thanksgiving Day, Christmas Day and New Year's Day holidays.

Campsite Issuing

Advance reservations are available for almost all campsites. Unreserved sites are available on a first-come, first-served basis. If an employee is not available, read posted instructions and check the "After Hours Posting Report" then proceed to an available site and set up.

The appropriate fee must be paid to a park employee or deposited in a supplied honor system envelope before setting up on a campsite.

Changes and Cancellations

Changes to a reservation must be made by calling the Pennsylvania State Parks Reservation Call Center at 888-PA-PARKS (888-727-2757), Monday through Saturday, 7 a.m. to 5 p.m. Eastern Standard Time. There is a \$10 fee assessed for all changes made to a reservation, except adding nights to the reservation.

Cancellations can be handled online under "My Account" or by calling the call center.

Cancellations made up to the close of business seven days prior to the scheduled arrival date will incur a \$10 cancellation fee. Cancellations six days or less prior to the arrival date, will forfeit the first night's fee or \$75, whichever is the lesser amount. Any cancellation or change on the day of arrival must be made through the state park where the reservation occurs.

For reservations that receive the weekly discounted rate, any change that results in shortening the stay will cause the customer to lose the benefit of the weekly rate. A new daily rate will be calculated for the remaining dates, which will affect any amount refunded.
